CHILDRENS HOUSE 1

H is for Halloween, but only one of the letters we learned as we transitioned to our new school and classrooms. Our children enjoyed dressing up and being part of the school costume parade. We learned to brush our teeth at school to offset all the candy this time of year brings and also the birthday cupcakes we all love.

With Gratitude,

Miss Hayley

and Miss Ana Maria

TODDLER ROOM

The toddlers learned 6, 7, 8, 9 and 10 and reached the letter H in time for Halloween. H also starts the greeting Hello as we started the school year in our new facility. The playground with pipe drums and a sand box are a particular hit for our youngest student, but with all the rain they're explored the many new works in our new classrooms.

Smiles

Miss Lindsay and Miss Mandy and Miss Alice

CHILDRENS HOUSE 2

In October two days competed for our most exciting day and those days occurred in the same week. On Monday October 27th, our new Children's House 2 classrooms opened in Carrboro and on Friday October 31st we celebrated Halloween. All week we read silly and spook stories, danced like skeletons and created jack o lanterns and spiders and bats. Our sorting works were spooked up with spider rings and our regular find the bone game took on new meaning. With so much rain, we had plenty of time to explore our new classrooms and works as well as dance and play musical games. We also met new classmates.

Welcome and Happy Halloween,

Miss Maria and Miss Madeleine
