July 2017

TODDLER ROOM 2

We had a fantastic June! We enjoyed starting our Summer Themes. Our first theme was “At The Zoo” where we learned about animals with stripes and animals with spots, listened to animal sounds, and colored our own zoo animals. For “Continents Of The World” week, we learned about the 7 continents, made world maps with our handprints, and had an International Food Celebration! For “Ants Go Marching” week, we learned fun ant facts, made fingerprint ant crafts, and sang the song “The Ants Go Marching One By One.” For “Lions, Tigers and Bears... Oh My!” week, we learned about lions, tigers and bears and made lion masks. We have also been enjoying Splash Day this summer!

Smiles,
Ms. Lindsay and Ms. Okeyia

CHILDREN’S HOUSE 2-2

This July we plan on enjoying the warmer temperatures, being creative, and keeping up our academic work. After all, many of us are kindergarten bound in just a few short weeks. We'll be having our annual graduation party at Miss Maddy's house on Saturday, July the 22nd around 3 pm. Please bring (or wear) a bathing suit, snacks and drinks and be ready for a fantastic time. This year we'll have a hundred foot water slide, a super cool treasure trail, and hopefully a bouncy house.

All Children’s House 2 kids are welcome to attend. Look forward to seeing you there.

With gratitude,

Ms. Maddy and Ms. Anisa

CHILDREN'S HOUSE 1-2

So far summer is off to a great start. We have had lots of fun learning about lions, tigers and bears (oh my), and marching around like ants. We have had a relaxing time making crafts and enjoying the mornings outside.

Just a reminder to please make sure your children come to school with sunscreen and bug spray already applied. We will reapply in the afternoon. Also, make sure your child has a water bottle, it's getting hotter out there!

Thank you for support and encouragement,

Ms. Hayley and Ms. Taylor

TODDLER ROOM 1

June has been a great month! We began our Summer Themes and Splash Day!!! We have welcomed Audrey to our class and she has fit in so well with Toddler Room 1! We did the Summer Themes: At the Zoo, Continents of the World, Ants go Marching, and Lions, Tigers, and Bears, OH MY! We learned about different Zoo Animals and acted like all of our favorite animals. For Continent Week, we learned that people look different all around the World and how to say Hello in different languages. We also learned the different names of each Continent and Ocean. We had a big international food party. During Ants Go Marching, we learned about different insects and practiced marching like soldiers. We ended the month with Lions, Tigers, and Bears, OH MY! We learned all about the Wizard of Oz and made our own yellow brick. We also did animal foot prints. We celebrated our friend, Jack's Birthday! Sadly, we had to say goodbye to three of our friends this month, Jack, Benny, and Peyton.

With Love,

Ms. Kendalyn and Ms. Jyoti

CHILDREN'S HOUSE 1-1

What an awesome month! We had so much fun with Miss Amanda! We are having so much fun with our summer themes and splash days! We are making crafts galore.. and even though it's hot out we still make the best of it inside with music, dance parties, blocks and art! Cheers to the summer and nice long days!

With so much love,

Ms. Tori and Ms. Amanda

CHILDREN'S HOUSE 2-1

This month the children are hard at work on their challenges. Some of the challenges the children are doing are telling time, numbers and phonetics. In addition some of the older children are beginning to read and are doing great. Everyone continues to work on their writing and many of the children can write their first as well as their last names. We have also introduced some new and exciting games to assist the children in completing their challenges such as Sight Word Bingo. The children were able to learn about new cultures from all around the globe this month when we discussed the different countries from around the world. Some of the interesting countries and cultures we talked about were Great Britain, Asia, Africa and South America. We did some diverse and fun art activities to represent the different cultures such as creating neckless and bracelets using designs found in jewelry from Asia. We also enjoyed Splash Day this month, the children had a great time running through the sprinklers and cooling off on our hot days!

With gratitude,

Ms. Ebony and Ms. Fiona
