August 2017

TODDLER ROOM 2

We had so much fun with our summer themes during the month of July. We started off the month with “Stars and Stripes” week where we learned all about America and made our own American flags with our handprints. We enjoyed building a fort in our classroom for “Forts and Fun” week and loved learning about rainbows for “Colors of the Wind” week. We even got to shine a light through a prism and watch a rainbow appear in our classroom! We ended the month with “Fashion” week and had so much fun tie-dyeing shirts. We’ve continued to enjoy Splash Day, and we welcomed our new music teacher Ms. Row. We are looking forward to a wonderful August and the beginning of a new school year!

Smiles,
Ms. Lindsay and Ms. Okeyia

CHILDREN’S HOUSE 2-2

It's hard to believe it's already August, the time for fond farewells to our Kindergarten bound classmates and happy hellos to our new friends moving up from Children's House 1. This month we will be taking a break from the challenge board and going back to basics as we review class rules and routines to make sure everyone knows what to expect as we wind down from summer and prepare for a new school year to begin. Please make sure you're bringing home the children's work from their folders each week and that their cubbies are fully stocked with a change of clothes and anything else they may need during the day. We're looking forward to finishing out the summer with a fun filled few weeks.

With gratitude,
Ms. Maddy and Ms. Anisa

CHILDREN'S HOUSE 1-2

This month we have focused on different styles of clothing from different eras specifically the early 1900s. But our favorite theme in the month of July was Forts and Fun! As a group we looked at different types of forts including tree forts, sheet forts and military forts. The kids loved making their own fort with sheets and the classroom furniture. As we near the end of summer, we will slowly be adjusting to our normal school year schedule.

Thank you for support and encouragement,

Ms. Hayley and Ms. Taylor

TODDLER ROOM 1

July was a wonderful month! Our summer themes this month were Stars and Stripes, Forts and Fun, Colors of the Wind, and Fashion Week! We learned all about fireworks and listened to America songs. For Forts and Fun, we pretended that we were camping and roasted marshmallows. We also made an air fort that the toddlers had a blast crawling in and out of. The toddlers did a lot of color work cycles and color matching for the theme, Colors of the Wind. We learned about all the different types of weather. For Fashion week, we made these amazing vests out of paper bag. We also did a school wide tie-dye day. Sadly this month we sad goodbye to our friends, Sophia, Mila, and Willa. However, we welcomed Marissa and Sydney to our classroom. We also said goodbye to our teacher Mrs. Jyoti but we welcomed Mrs. Amanda who has become a wonderful addition our classroom. We also said goodbye to Miss Kendalyn as she moved up as Assistant Director and welcomed Ms. Chelly, who has done a fantastic job in he classroom.

With Love,

Ms. Amanda and Ms. Chelly

CHILDREN'S HOUSE 1-1

This month sure has flown by! We have had some pretty awesome themes so far, and they keep going! We finished the month off strong with being super crafty. We made some pretty awesome crafts, had so much fun with fashion week and enjoyed colors of the wind. We have welcomed new friends to our class and have also had to say some pretty sad goodbyes to some friends moving up. The summer will be coming to an end soon, and we will be getting ready to get back into the swing of things for the new school year!

With so much love,

Ms. Tori and Ms. Jessica

CHILDREN'S HOUSE 2-1

This month in CH-2 we were hard at work with our challenges. We worked on telling time and our multiplication. In addition, we are continuing to work on our writing skills and are practicing to write our names and numbers. We also enjoyed splash day. We have a new music teacher who we are having lots of fun with. Everyone in class is working hard on preparing for the new school year and we can't wait for the new school year to began!

With gratitude,

Ms. Fiona
