January 2018

TODDLER ROOM 2

December was such a fun month in the Toddler 2 class! We loved celebrating the holidays. All month long we made holiday crafts like wreaths, Christmas trees and Menorahs. We learned about words that start with the letter F and had fun exploring our Sensory Bin. We learned the sign language sign for “help.” We also loved ending the year with Winter Week and had fun dressing up every day. We are all looking forward to a fantastic 2018!

Smiles,
Ms. Lindsay and Ms.
Katema

CHILDREN'S HOUSE 2-2

We've gotten off to a rough start between the snow and the subzero temperatures keeping it around, but we've been able to come up with a working list of all the topics we want to study this quarter and are excited to get started. Starting this week we're going to study numbers and math, as well as transportation and engineering. We're also welcoming two new friends this month. Madeleine and Dash will both be moving up from Children's House 1. We're celebrating one birthday this month. On the 19th, our good friend Beckett will turn 4. As always, check your child's cubbies and folders for any items that can be taken home each week.

With gratitude,

Ms. Maddy and Ms. Laura

CHILDREN'S HOUSE 1-2

December was a short and quick month. We focused on letters J, K and L. We loved jumping like kangaroos and learning all the L words. We also had a great time learning about Hanukkah and Christmas. The whole class had so much fun learning about the Menorah and singing the Menorah song. Break had everyone buzzing with excitement, ready for family fun time. Now is the beginning of January, and we're slowly getting back into the swing of things.

Thank you for support and encouragement,

Ms. Hayley and Ms. Pam

TODDLER ROOM 1

Hello! As you know, December was one of the most busy and exciting months we've had. The month started off with doing our daily activities and playful routines. We are still pushing through our alphabet and doing fun and cool crafts along the way. As the holidays approached us, we learned about Hanukkah and the meaning of it. We also created holiday ornaments for the parents. We painted reindeers on a glass ornament using our hands. But we also had some sad but great moments such as our friend Peyton transitioning to Ch1-1. She was very excited to move forward and meet new friends. We also said goodbye to our good friend Ian, as he relocated to another city. We will miss him dearly. This year ended great and smooth. We can't wait to see what the new year has in store for the Toddler Room 1!

With Love,

Ms. Chelly and Ms. Hser Ku

CHILDREN'S HOUSE 1-1

We are finally back from our long winter break, and 3 new friends have joined our class! We welcomed George, Peyton, and Ariana. We have enjoyed making new friends and memories together. Shortly after our return from break, it snowed and we had a snow day! It has been very cold out during the day, so we have spent our mornings and afternoons using our imagination and building with blocks. We continue learning and reviewing our alphabet, numbers, and shapes. In the weeks ahead we will be working on winter crafts and playing as much as possible!

With so much love,

Ms. Jessica and Ms. Kirstie

CHILDREN'S HOUSE 2-1

This December flew by as the children were busy working on their challenges and enjoying the holiday. Some of the challenges completed by the older children included writing words, reading and math. The others in the class worked on their alphabet and numbers.

The class also worked on fun art projects such as gingerbread men and beaded snowflakes.

In addition, the children conducted several science experiments such as creating a rainbow jar using various mixtures like colored vinegar and oil.

Finally, everyone had a wonderful holiday with their family and friends.

With gratitude,

Ms. Fiona and Ms. Tracey
