February 2018

## TODDLER ROOM 2

2018 is off to a great start in the Toddler 2 class! Starting the first week in January, we have started doing an “Animal Of The Week” lesson where each week we learn about a different animal. So far we have learned about the Giraffe, Zebra, Gorilla and Deer. We’ve also been continuing with the alphabet and learned about G, H, I, J and K. In January, we also learned about the color Blue. The toddlers have also been enjoying Montessori Work Cycle and Story Time. We took a break from yoga class during the month of January, but music class returned with our new music teacher Ms. Danny! The toddlers have also enjoyed doing crafts such as painting with sponges, making handprint birds, and “tie-dyeing” coffee filters. We hope to have just as much fun in February!

Smiles,

Ms. Lindsay and Ms. Katema

## CHILDREN’S HOUSE 2-2

It's February and love is in the air! We'll be working on our social skills and learning all about being good citizens through Valentine's Day. Please bring in your child's Valentine's cards on the 14th and encourage them to do the writing as much as they are able. I'll be posting a class list on the door for your convenience as soon as possible, plus a sign up sheet for our party that day. This is a month that's heavy on birthdays so consider fruit treats over sugary snacks for your child's party. Also, this flu season has been especially hard so if your child is running a fever, please keep him or her at home. Our policy is that children should be symptom free for at least 24 hours before returning to school. Artificially reducing your child's temperature with medicine does not count. We all need to follow these basic rules to keep our young friends as healthy as possible so thank you in advance for your cooperation.

With gratitude,

Ms. Maddy and Ms. Laura

### CHILDREN'S HOUSE 1-2

The month of January went by so fast. We learned the letters M, N, O and P. The children were very fascinated with animals this month and learned lots of cool facts about monkeys, octopi, ostriches, platypuses and peacocks! During geography we learned about Nigeria and Pakistan. We also focused on money and acquired a new work that has laminated dollar bills with actual coins to match. February looks promising as we celebrate Black History Month, our letters and Valentine's Day.

Thank you for support and encouragement,

Ms. Hayley and Ms. Pam

### TODDLER ROOM 1

Hi everyone! Here's the latest news on Toddler Room 1: We're half way through our alphabet. We are continuing to do fun and cool crafts for each letter along the way. January has been a smooth month for the toddler room. We welcomed our new friend Elizabeth "Libby" to our classroom. She's adapted very well and getting the hang of our classroom routines. We also said goodbye to Cora as she transitioned to the Ch1-2. She was beyond thrilled to meet new friends and catch up with some of her old friends. We will continue to push through our alphabet throughout the rest of the months! We are almost there! Keep pushing toddlers!!!!!!

With Love,

Ms. Chelly and Ms. Hser Ku

## CHILDREN'S HOUSE 1-1

We have been busy playing and learning this month. We have continued to work through the alphabet as we learn new letters and have started tracing them to practice on how to hold a pencil. We have spent a lot of our mornings inside playing due to the cold. We have done coloring and fun crafts to prepare for Valentine's Day.

With so much love,

Ms. Jessica and Ms. Kirstie

## CHILDREN'S HOUSE 2-1

January has been an exciting start to a new year in CH -2. The class has been busy working on their challenges and have made great strides this month from writing their letters to mathematics. In addition, the class continues to work on sight words while the older children are working on writing simple sentences.

For art, the children have been expanding their creativity through projects such as salt painting.

Science day also continues to be enjoyed by all as we conduct experiments such as tornados in a jar.

Finally we welcomed three new friends into CH -2; Tommy, Madison, and Zara. Everyone is excited to welcome new students and look forward getting to know them!

With gratitude,

Ms. Fiona and Ms. Tracey
