June 2018

## TODDLER ROOM 2

The toddlers had so much fun during the month of May! We celebrated Star Wars Day on May the Fourth, and made picture frames for our mommies for Mother's Day. We finished up the alphabet by learning about the letters W, X, Y and Z. We continued learning about different animals and learned about Pigs, Turtles, Whales, Koalas and Cats. We also learned about the colors Orange and Purple, and we learned the ASL signs for "bed," "ball," and "hungry." We had fun making rainbow and sunflower crafts, and painting with sponges and Do-A-Dot paints. The toddlers also got to make ice cream and had a party to celebrate the end of the School Year. We are so excited about starting our Summer Themes in June!

Smiles,

Ms. Lindsay and Ms. Katema

## CHILDREN'S HOUSE 2-2

We're so excited for this month because it's the start of our summer themes and splash days!!! Look at the schedule to determine what days you need to send your child to school in a bathing suit under his/her clothes and a towel. If your child is able to put on bathing suits without help, you are welcome to simply leave a bathing suit and towel here at school for the duration of the summer. Feel free to bring in any items, like puzzles/books/educational games that you feel will enhance our weekly themes as well. Thank you in advance for your enthusiastic support of our classroom activities.

With gratitude,

Ms. Maddy and Ms. Laura

### **CHILDREN'S HOUSE 1-2**

May was an exciting month as we learned about plants, dinosaurs and music. We enjoyed learning the parts of a flower and what they need to grow. By far our favorite week was dinosaurs. We loved talking about which dinosaurs were carnivores, herbivores and omnivores. Music week was a great success because we played instruments and Miss Janice and Miss Lindsay played the flute for us.

A friendly reminder that summer themes have begun. This means...SPLASH DAY! Please remember to have your child come to school in their bathing suit (in a regular diaper/pull-up, please if your children wear them) and covered in sunscreen! Splash day schedule will be posted in our classroom.

Thank you for support and encouragement,  
Ms. Hayley and Ms. Pam

### **TODDLER ROOM 1**

Hey Everyone!

As you know, we rocked out May with some of our spring themes and fun activities. We are entering June with our exciting summer themes. We will endure a lot of water play and cool activities while we push through the summer. Most importantly, we welcome two new friends to our class, Vivian and Javier. They are so precious! Both are thriving and adapting well with our friends. We will continue to rock on and rock out the Toddler Room 1. See you there!

With Love,

Ms. Chelly and Ms. Hser Ku

## CHILDREN'S HOUSE 1-1

Welcome summer! We finished our school year off by wrapping up the alphabet. We had a great academic year, and we look forward to all our fun themes we have planned. We have splash day every other Thursday so please remember to send your child in their swimsuit and to pack them a towel and a change of clothes.

With so much love,

Ms. Jessica and Ms. Kirstie

## CHILDREN'S HOUSE 2-1

Last month was very exciting for CH-2 as the class enjoyed many interesting projects and continued to work on their challenges. CH-2 worked on many fun art projects last month such as thumbprint dandelions, jellyfish and windsocks.

The class also participated in many science experiments that everyone enjoyed. Several examples include creating our own playdough with corn starch and shaving cream, as well as creating our own bubbles.

The class also celebrated our first graduation for the students going to kindergarten in the fall. The ceremony was wonderful and we are so proud of each and every one of them!

Finally we celebrated two birthdays this past month. Both Madison and Tommy turned four years old this past May.

With gratitude,

Ms. Fiona and Ms. Tracey
