April 2019

TODDLER ROOM 2

March was a very busy month in the Toddler 2 class! We started off the month by celebrating Dr. Seuss Day! We read Dr. Seuss books and made a “One Fish, Two Fish, Red Fish, Blue Fish” craft. We finished up our alphabet by learning about the letters W, X, Y and Z. We started learning about shapes and went over Squares and Circles. We’ve been continuing to learn about different animals each week, and during the month of March we learned about tigers, bears, gorillas, and mice. We also learned how to say “Give,” “Play,” “Read,” and “School” in Sign Language. We had fun celebrating Pi Day on the 14th. And we had fun painting with bottles, toilet paper rolls, Do-A-Dot paints, and even our fingers!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN’S HOUSE 2-2

April is always a wonderful time for an active preschool classroom like ours. We plan on spending more and more time outdoors as the weather improves and the world comes back to life with the signs of spring. We started the month finishing up our theme on pets and will get into reptiles and amphibians next followed by mammals when we're ready to move forward. Please make sure you have both warm and cool weather options in your child's cubby as the temperatures can be incredibly unpredictable.

With gratitude,

Ms. Maddy and Mr. Dom

TODDLER ROOM 1

Hey Everyone!

Hop, hop, hop we are steady hopping through the school year and into spring! March has been great to us. We are currently learning and reviewing name recognition. The toddlers are starting to be able to identify their names by the first and second letter. We also have been talking about the weather and learning about rain, snow, sunny and cloudy. My toddlers are doing amazing soon they all will be ready to move up accordingly. April will be filled with fun festivities such as the Easter Egg Hunt and Good Friday Music Jam!!!

Thanks for rocking out with the toddler 1s.

With Love,

Ms. Chelly and Ms. Jewellery

CHILDREN'S HOUSE 1-2

Hello April! Spring is in the air, Easter is around the corner, and we can see the flowers blooming . This month we will learn about the letter T and the letter U. We are also working hard at potty training, and we are having fun doing it. Let's get ready for fun, happy spring!

Thank you for support and encouragement,

Ms. Katema and Ms. Nora

CHILDREN'S HOUSE 1-1

This month just flew by! I guess we were having too much fun! We welcomed new friends Charlotte and Violet to class. We finished learning about the letter N and learned about O and P. We have used our creativity to paint so many fun projects! Please check your child's cubby as the weather changes and make sure they have plenty of weather appropriate changes! We look forward to this next month and all it will bring!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-1

Last month CH-2 was busy with fun springtime art projects and science experiments. We also celebrated Mila's fourth birthday. Everyone is so proud of how much she has grown!

Several of the art projects the class enjoyed included creating snails and shamrock handprints to celebrate St. Patrick's Day. Finally for science day, the class enjoyed several experiments such as fizzing shamrocks and creating marshmallow paint.

With gratitude,

Ms. Fiona and Mr. Will
