December 2018

TODDLER ROOM 2

November was a wonderful month in the Toddler 2 class! We learned about the letters H, I and J. We also learned how to say “Grandma,” “Grandpa,” and “Eat” in sign language. We had lots of fun learning about animals and covered gorillas, lions and giraffes this month. We also had lots of fun doing arts and crafts including Dia de Muertos coloring pages, painting fall trees using plastic bottles, making balloons, making turkey handprints and painting with sponges. The toddlers also had a great time celebrating Thanksgiving. We are looking forward to a great December. It’s hard to believe the year is almost over!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN’S HOUSE 2-2

And just like that, it’s December... my favorite month of the year. For the next 3 weeks, we are taking a step back from academic challenges to rehearse for our holiday concert, do lots of arts and crafts, and read tons of books. The concert will be on Wednesday, December 19th at 11 am. We hope you will join us for lunch afterwards and help celebrate my 49th walk around the sun. The weather can be tricky this time of year so please make sure your child has temperature appropriate options each day. Also, some artwork folders are getting full, so please make sure you’re checking them and clearing them out on a regular basis. We are constantly on the lookout for scrap paper to shred into bedding for our guinea pigs so please leave anything you don’t want to keep in the black basket underneath our calendar.

With gratitude,

Ms. Maddy and Mr. Dom

TODDLER ROOM 1

Hey Everyone!

As you know, we've reached the end of the year! November has been very good to us. We made cute gobbling turkeys for Thanksgiving. We also welcomed our new friend Iris, who has adapted to the class amazingly. In the month of December we have started doing our holiday crafts and activities. Our friends are enjoying the holiday songs we're singing such as "Jingle Bells." We can't get enough of that! It has been an awesome year for the Toddler room, Ms. Chelly's crew can't wait to bring in the new year. See you there!

With Love,

Ms. Chelly and Ms. Laura

CHILDREN'S HOUSE 1-2

December has been a very fun month for the CH-1 class. We are preparing for the Christmas holiday and oh what fun we are having! In the past two weeks, my kids enjoy learning about the letter L and the letter M. I love seeing their faces when we talk about these letters. We also welcomed a new friend to our class last week. She's a joy! Our new year is around the corner, and we can't wait to see what 2019 bring everyone. Have a happy, fun and safe holiday. Merry Christmas and Happy new year!

Thank you for support and encouragement,

Ms. Katema and Ms. Jyoti

CHILDREN'S HOUSE 1-1

In all things be thankful. Hello Transition 1 parents. What a wonderful month we have. We celebrated the Thanksgiving holiday as well as 2 special birthdays. Escher and Taj joined the 3 year old club to join Benjamin. In our classroom this month we talked about Freddy Fish and Gomer Goat. We learned so many words that start with letter F and G. We worked on tracing our names and tracing the letters F and G. We also focused on learning our birthday and months of the year. In December we will be working on the letter H and also we will focus on Christmas around the world.

With so much love,

Ms. Tameka' and Ms. Nora

CHILDREN'S HOUSE 2-1

Last month CH-2 was busy with lots of crafts and science projects as they created handprint turkeys for Thanksgiving and footprint snowmen.

Several of the science experiments the class conducted included seeing if the gummy bears would grow in salt water or plain water without salt. The children learned about observational skills and more about what a hypothesis is.

We also welcomed two new students, Kiran and Julian to CH-2. We are so glad they are in the class and look forward to watching them grow!

With gratitude,

Ms. Fiona and Ms. Jay
