February 2019

TODDLER ROOM 2

January was an excellent month in the Toddler 2 Class. We learned so much! We learned all about the letters N, O, P, Q and R. We also learned about pandas, snakes, rhinos, ostriches and lizards. We've been continuing learning lots of signs, and we can now say "Ball," "Stop," and "Share" in Sign Language! We had a lot of fun doing arts and crafts this month. We painted trains with Do-A-Dot paints, colored with crayons, made winter trees with our hands, and made butterflies using tissue papers. The Toddlers can't wait to learn and have even more fun in the month of February!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN'S HOUSE 2-2

We're leaving behind our pirates theme and starting up with dinosaurs and community helpers this month. My closest girlfriend is a flight nurse at Duke Hospital and will coming by at some point to teach the children about her work and show off her cool uniform. If you know of any other local professionals who would be willing to come by for a lesson, please let me know. The guinea pigs have had a bit of a rough time lately and are temporarily not available to take home for the weekends, but Rose is fine so please sign up on Fiona's door if you'd like a chance to babysit a guinea pig. We're heading into the coldest month of the year so please make sure you're dressing your children in layers and have proper changes of clothes for emergencies.

With gratitude,

Ms. Maddy and Mr. Dom

TODDLER ROOM 1

Hey Everyone!

Whew, time is flying. January has been a great month for us, and despite the weather we've manage to push through. We are continuing to learn our alphabet and words that began with each letter along the way. We are also doing amazing on recognizing our names and the first letter. It is sad to say the our friend Greta moved up to Mrs. Katema. We are so sad to see her leave, but we know she'll do amazing! February will be filled with love and cool unique crafts. We will be approaching spring soon. We definitely can't wait. Thank you guys for being so understanding with welcoming me back. I truly appreciate you guys and the MACH staff.

With Love,

Ms. Chelly

CHILDREN'S HOUSE 1-2

Welcome February! Winter is really here. Last month was very exciting welcoming the new year. Goodbye 2018, Hello 2019! This month we are full of love and history. Join us as we learn about new letters, history and most of all love . Hopefully Larry the Groundhog won't see his shadow and spring will come early! Happy February :)

Thank you for support and encouragement,

Ms. Katema and Ms. Jyoti

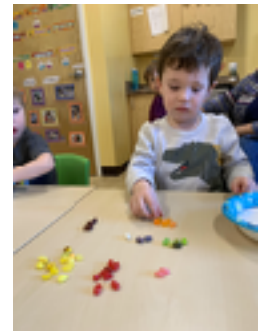

CHILDREN'S HOUSE 1-1

Here we are in fabulous February! We have been having such a fun time learning our letters of the week, and learning all the words and doing activities that begin with each letter. In the past month we have covered J,K and begun L. From jellybean sorting, to playing with kitchen stuff and celebrating love on Valentine's Day, we have had a blast! We love that the weather is warming up, and we go outside as much as possible. Please check cubbies and make sure extra clothes are weather appropriate. Layering options are always the best. See you in March!

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-1

Last month CH-2 welcomed in 2019 with fun art and science experiments, and a birthday. Some of the art activities the class enjoyed were creating monkey handprints, as well as learning about Picasso and creating their own abstract portraits.

Several science experiments the class enjoyed were learning how animals stay warm in the arctic and how water molecules expand through microwaving soap.

Finally the class celebrated Winnie's birthday. She turned four this past month and is growing so fast!

With gratitude,

Ms. Fiona and Mr. Will
