January 2019

TODDLER ROOM 2

Wow! It's hard to believe 2018 is already over. The Toddler 2 class had a wonderful year. In the month of December, we learned about the letters K, L and M. We learned how to say "milk" and "water" in Sign Language, and we learned all about chickens, jellyfish and horses. We had fun making holiday crafts such as dreidels, holiday lights and candy canes. We also made ornament crafts for our families. We ended the year with a really fun Pajama Day! We hope everyone had a wonderful winter break, and we look forward to a fantastic 2019!

Smiles,
Ms. Lindsay and Ms. Paw

Welcome to a new semester. We'll be diving back into our academic studies starting next week, though some of us have been motivated to go ahead and start based on all the new books up for grabs in our treasure box. We're always open to parent participation so please see me if you'd like to come by and do a lesson sometime. We all have hidden talents and skills that the kids would love to experience. The weather is as unpredictable as ever so please make sure your child has an appropriate change of clothes and is dressed in multiple layers. We're also getting a lot of complaints about being hungry in the afternoons so make sure your child has adequate food each day. Thanks!

With gratitude,

Ms. Maddy and Mr. Dom

Hey Everyone!

Welcome back friends, so happy to have everyone back. January is finally here, we will be continuing to learn our alphabet and counting routine. Also, we will be identifying different shapes. This year will be filled with fun hands-on activities and creative crafts. On another note, our friend Greta will be transitioning to Ms. Katema's class. She's ready to show off her independence and learn more things along the way. She will be missed truly! Can't wait to see what this year brings, see you there.

With Love,

Ms. Chelly and Ms. Laura

Happy New Year everyone! It's 2019 and we are already starting the year off great. I hope everyone had a fun and safe holiday. Welcome January, a new month for the new year! Let's get ready for fun learning and new friends! Yay!

Thank you for support and encouragement,

Ms. Katema and Ms. Jyoti

Merry Christmas Transition 1 parents. This has been a very exciting month. This month our theme was Christmas around the world. We also had a sub-theme of the letter H. The children learned about Hector Horse and they also learned so many words that started with the letter H. We did so many crafts this month to celebrate Christmas. We had our winter break and now we are excited to see what 2019 brings us.

With so much love,

Ms. Tameka' and Ms. Nora

Last month went by so quickly, as the class was excited for Christmas and New Year's.

Some of the art projects we completed included a snowman footprint and snowflakes. For science day, we melted candy canes and created crystal snowflakes.

Sadly the class had to say goodbye to Kiran. He will be missed! However we celebrated Lara's birthday with a walk around the sun. Finally, the class had a blast with their last day before Christmas and New Year's break. The children watched The Grinch in their PJs and enjoyed many yummy treats. Thank you to all of the parents who brought the treats and to Martha's parents for bringing the TV. Everyone had a great time! Everyone at CH-2 is looking forward to starting a new year with our friends.

With gratitude,

Ms. Fiona and Ms. Jay
