March 2019

TODDLER ROOM 2

The Toddler 2 class had a Fantastic February! We learned about letters S, T, U and V. We also learned how to say “music,” “I love you,” “hello,” and “good” in Sign Language. We continued learning about different animals and had lots of fun learning about raccoons, pigs, kangaroos and butterflies. Our favorite part of February was celebrating Valentine’s Day! We enjoyed decorating our bags and exchanging Valentines with our friends. We had a lot of fun doing arts and crafts including coloring pages, finger-painting and sponge painting. We hope to have even more fun in the month of March!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN’S HOUSE 2-2

We're so excited to start the month of March and welcome back Spring. We're finishing up our study of dinosaurs and starting a week of talking about how our bodies work. We'll finish the month talking about the blooming trees and other wonderful signs of Spring that we're starting to see outside. The weather is extremely up and down this time of year, so please make sure your child dresses in layers and has an appropriate change of clothes in his/her cubby.

With gratitude,

Ms. Maddy and
Mr. Dom

TODDLER ROOM 1

Hey Everyone!

Goodbye February! Hello March! Time is steady flying in the Toddler Room 1. We are currently finishing up with our alphabets and reading books to go along with each letter. February was truly sweet to us, as we exchange Valentine's Day cards with our friends. We can't forget that we had to say "see you later" to our friend Archer, who moved up to Ms. Katema's class. March will be filled with excitement, not to mention the start of spring! So fun and cool crafts will be in the making, and who said learning couldn't be fun? Can't wait to see you there!

With Love,

Ms. Chelly and Ms. Jewellery

CHILDREN'S HOUSE 1-2

February was a loving month, and a very short one. CH 1-2 enjoyed learning about who invented the traffic light and the letter Qq. We had so much fun. Even though we learned about some fantastic things and had fun learning them, we had to say goodbye to our wonderful teacher Ms Jyoti. February was short, sweet and wonderful. Hello March! :)

Thank you for support and encouragement,

Ms. Katema and Ms. Nora

CHILDREN'S HOUSE 1-1

We have been having so much fun this past month! We finished learning the letter L, and have spent 2 weeks on the letter M. We learned about monkeys, mud, moose who eat muffins and mice who go to the movies! We celebrated Mardi Gras with masks and a parade! We have begun the letter N and have loved learning about numbers and the night. We are so excited to celebrate Ruby, Asher and Ezra as they turn 3 this month!! As the weather is wacky, please check cubbies for appropriate clothing.

With so much love,

Ms. Laura and Ms. Kate

CHILDREN'S HOUSE 2-1

Last month CH-2-1 enjoyed many fun and exciting art projects and science experiments. In addition, the class also celebrated three birthdays: Julian, Olive, and Ivanna. We are so proud to see how much they are growing up!

Some of the art projects the class enjoyed were smushed paint art and handprint monkeys.

Finally, for science, the class enjoyed several fun science experiments such as moon-sand and dancing gummy worms.

With gratitude,

Ms. Fiona and Mr. Will
