November 2018

TODDLER ROOM 2

October was a fun-filled month for the Toddler 2 class! We learned all about letters C, D, E, F, and G. We also learned how to say “Please,” “Thank You,” “Mommy” and “Daddy” in sign language. During the month of October, we learned about turtles, monkeys, cows and sharks. We had fun fingerpainting and making Spider and Mummy crafts. We even painted our own pumpkins! Our favorite part of the whole month was Halloween! The toddlers all wore their costumes to school and went trick-or-treating to all the other classes. We welcomed our new assistant teacher Ms. Paw to our classroom! We hope November is just as much fun!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN'S HOUSE 2-2

We're excited to head into the holiday season with plenty of fun activities about family and the importance of loved ones in your life. We are so thankful for all the support we get from our parents and want to extend that love into wonderful learning lessons for your children. We're starting off the month of November with a challenge free week where we focus on social skills and being kind to one another. The second week we'll talk about our communities and how everyone has a role to play to make our town run smoothly. Thanksgiving week will be all about being thankful and the last week will be children's choice and beginning preparations for our annual holiday concert.

With gratitude,

Ms. Maddy and Mr. Dom

CHILDREN'S HOUSE 1-2

October was a fantastic month for us with Halloween and the parties and all the fun costumes! What a way to bring in the fall! In the Ch 2 class we are still working on our alphabets and learning how to count and recognizing our shapes. We do all of this through song. My class loves learning through music and song. Thanksgiving is right around the corner so we are preparing for turkey fun! Happy Thanksgiving!

Thank you for support and encouragement,

Ms. Katema and Ms. Jyoti

TODDLER ROOM 1

Hey Everyone!

Trick-or-Treat Smell Our Feet! October was a fun and spooky month for the Toddler Room 1. We made spooky flying ghosts to hang in our classroom windows. We also made cute glitter pumpkins. Not to forget our annual Halloween Celebration, where all our friends and staff got a chance to wear their spooky, crazy and adorable costumes to go to each class and receive yummy and cool treats. We also had a class party! We partied hard this month. Last but not least, we celebrated two of our friends' birthdays this month: Archer and Wesley. Time flies! Can't wait to see what next month brings.. see you there!

With Love,

Ms. Chelly

CHILDREN'S HOUSE 1-1

Wow what a wonderful month we had in October. The children learned so much. We talked about Dexter Donkey and Ellie Elephant. We discovered a lot of words that started with letters D and E. We celebrated Benjamin's birthday on Halloween, and we also had a Halloween parade and party. Mrs. Tameka' is very proud of each and every one her students for the remarkable job that they are doing with their classwork, as well with their potty training. Mrs. Tameka' would also like to thank the parents for their support on all of the classroom endeavors.

With so much love,

Ms. Tameka' and Ms. Nora

CHILDREN'S HOUSE 2-1

Last month CH-2 was busy celebrating the fall season with many fun activities and science experiments. The class also had a blast on Halloween with a party and trick-or-treating. The class enjoyed many art projects such as making glow-in-the dark skeletons and ghosts. Several science experiments the class enjoyed included creating their own fireworks with oil and water. The children also created colorful lemon volcanos with dish soap, baking soda and food coloring. Finally the class celebrated Halloween with a party and lots of treats, games and fun!

With gratitude,

Ms. Fiona and Ms. Jay
