October 2018

TODDLER ROOM 2

The Toddler 2 class had a fantastic September! We started our ABCs and learned about words that start with the letter A and the letter B. We learned all about fish, llamas and owls. We also learned the sign language signs for “more,” “help,” and “all done.” For our crafts, we made handprint goldfish, painted with Do-A-Dot paints, and painted watercolor butterflies. We always enjoy our weekly yoga and music classes! We also enjoyed having our photos taken on School Picture Day. We also welcomed our new assistant teacher Ms. Casey to our class! What a busy month! We are looking forward to learning, growing, and having fun in the month of October!

Smiles,
Ms. Lindsay and Ms. Casey

CHILDREN'S HOUSE 2-2

With Fall finally here, we have all kinds of fun activities planned for this month, including dressing up in costumes for a parade at the end of the month. We will also be discussing Fall themes like harvest time, animals getting ready for hibernation/migration, and all things pumpkin. We'll be doing more and more outdoor activities as the temperatures fall to comfortable levels, but the weather can be unpredictable this time of year so please make sure your child has a long sleeved change of clothes as well as short sleeved.

With gratitude,

Ms. Maddy and Mr. Dom

TODDLER ROOM 1

Hey Everyone!

September was a great month for Toddler Room 1. Currently we are still pushing through our alphabet and doing fun activities along the way. We have accomplished being more verbal and using sign language to express our feelings and what each student needs or wants. Two days out the week I am doing individual play with our rising two-year old students, to help them develop their motor skills and cognitive learning. October will be a fun and spooky month for Toddler Room 1. I can't wait to see you guys there! Spooky toddlers here we come.

With Love,

Ms. Chelly

CHILDREN'S HOUSE 1-2

Hello! Hello! Hello! Welcome fall! I am so excited that fall is here- one of my favorite seasons... I'm very proud to announce that the kids are learning about all their alphabet, colors, shapes, and numbers. They're doing very well. Parents, keep up the good work at home. This month we will be working on more alphabet, shapes, colors, and numbers, and also practicing on handwriting and getting ready for Halloween. The kids and I can't wait!

Thank you for support and encouragement,

Ms. Katema and Ms. Jyoti

CHILDREN'S HOUSE 1-1

The Transition 1 class has had a wonderful start to the school year so far. First, we would like to say Goodbye to Lucy who has transitioned to Ms. Fiona's class. We know she will do well. Next we would like to welcome Tom, Asher, Ruby and Aiden to our class. So far they have done well in the new environment. This month we have focused on the Letters A-C, and we have learned so much. The children are learning to write their names as well as recognize their names. They are truly enjoying yoga and music with Ms. Maria and Ms. Danni. Mrs. Tameka has conquered the task of becoming a potty trained class- everyone is almost there. Just a friendly reminder that breakfast is served from 9-9:30 and all snacks and lunch items must be labeled with your child's name and date. The seasons are changing please remember to change your child's clothes so that they are weather appropriate.

With so much love,

Ms. Tameka and Ms. Nora

CHILDREN'S HOUSE 2-1

Last month CH-2 was busy with many projects and science experiments. In addition, the class worked on their letters of the week as well as continuing to do their challenges.

The class also completed fun art projects such as Marble Painting using shaving cream and food coloring. For science experiments, they were able to create some volcanos for some bubbly fun.

Finally, the class enjoyed learning about why we keep our teeth clean when Dr. Holman came to talk to the class. We also celebrated five birthdays in September, and I can't believe how much our children are growing up!

With gratitude,

Ms. Fiona and Ms. Jay
