September 2018

TODDLER ROOM 2

August was a great month in the Toddler 2 class. We had so much fun finishing up our Summer Themes! For “Better Safe Than Sorry” week, we enjoyed visits from the Carrboro Police Department and Carrboro Fire Department. For “Barnyard Palooza” week, we had fun learning about animals and making cotton ball sheep crafts. And our final theme of the summer was “What’s Cooking?” where we made ice cream and pizza! We started off the new school year by learning about musical instruments and painting school buses with Do-A-Dot paints. We look forward to a wonderful September and a fantastic 2018-2019 school year!

Smiles,

Ms. Lindsay and Ms. Katema

CHILDREN’S HOUSE 2-2

We’re excited about heading into the fall and all the wonderful changes that come with it. We’ll be continuing our basic themes of letters, numbers, and phonetics. Plus we’ll be discussing our routines and working with our challenge board. We’re also looking incredibly forward to the arrival of our new teacher, Mr. Dom. I can’t say enough about how fantastic he is. Please make sure you’re child has supplies for teeth brushing as well as a full change of clothes. If you want to sign up for a guinea pig weekend, see me for details.

With gratitude,

Ms. Maddy and Mr. Dom

CHILDREN'S HOUSE 1-2

August flew by! We have ended our summer themes and started out school year! The last week of August was all about classroom rules and expectations. Our main rules are to use walking feet, listening ears, whisper voices and keep our hands to ourselves. You might hear your children sing the classroom rules song. Just to remind everyone, there was a welcome letter that was sent out with some classroom guidelines and suggestions. If you have any questions, feel free to ask Miss Hayley!

Looking forward to a wonderful school year!

Thank you for support and encouragement,

Ms. Hayley and Ms. Jyoti

TODDLER ROOM 1

Hey Everyone!

Hello Everyone! Back to school we go, we are now officially starting the school year. In our class, we will be covering our alphabets A-Z with a craft for each letter. We will also be learning our numbers and colors, and some of the older kids in our class will be working on recognizing their names. We will continue to learn sign language for the younger kids in our class as well. This year will be filled with fun learning and exciting activities to go along with our daily curriculum. Also please be sure to swap out your child's summer back up clothes for the fall weathers that's approaching.

With Love,

Ms. Chelly and Ms. DeeDee

CHILDREN'S HOUSE 1-1

During the month of August, Children's House 1-1 finished up our Summer Themes. We are very excited to start our new school year! We are working hard learning our classroom rules and expectations, keeping up with our Montessori Work Cycle, and reviewing our alphabet. We also have been enjoying our weekly Music class and Yoga class. We are looking forward to an exciting new year!

With so much love,

Ms. Tameka and Ms. Noura

CHILDREN'S HOUSE 2-1

This past month has flown by as CH-2 has been busy with many new activities and projects.

The children enjoyed the last couple of weeks of the summer themes such as Mystery Week where the teachers picked the theme of "Looking Towards the Future" to celebrate the children growing up with many headed off to kindergarten. One of the projects included thinking about and creating a craft of what they wanted to be when they grow up. The class also prepared for the new year with open house while sadly saying goodbye to those who left for kindergarten. We will miss Izzy, Ben, Daniel, Natalie, Averie, Lawson and Anika but know they are doing amazing in their new schools!

Finally, we created a new mural for the wall to commemorate a new school year and welcomed Lara and Winnie who moved up into CH-2. We are excited to have them with us and look forward to seeing them grow.

With gratitude,

Ms. Fiona and Ms. Jay
