## TODDLER ROOM 2

Spring is here and we have been enjoying the warm weather! This past month we finished up our shapes and learned about triangles, rectangles and stars. We also started on our colors and learned about the color red. We've been continuing with our animals, and learned about red pandas, dolphins, macaws, and hippos. We also learned how to say "pain," "shoes," "sit," and "book" in Sign Language. We had fun coloring and painting and making lots of fun crafts! We had a lot of fun celebrating Easter with an Egg Hunt on the playground. We are looking forward to a great end of the school year during the month of May!

Smiles,  
Ms. Lindsay and Ms. Paw

## CHILDREN'S HOUSE 2-2

We're heading straight into Graduation Season in Children's House 2-2. A time of joy, excitement, and staying very busy! We're sending home scripts and songs for our friends to memorize. We're also busy preparing for our performances in the classroom. The date for the "Countdown to Kindergarten" play has not yet been set, but it is set for June. If you are the parent of a graduate and there's a weekday morning in June that you absolutely cannot get away from work, please let me know. I want to accommodate everyone's schedule as best I can. Also, there's a small guinea pig fundraiser going on. Please see the classroom door for details if you can help.

With gratitude,

Ms. Maddy and Mr. Dom

### CHILDREN'S HOUSE 1-2

April Showers bring May flowers!  
April has come and gone. Hello May!  
We enjoyed April with new friends,  
Easter Egg hunt, and our Easter  
brunch. Can't wait to see what May  
has in store for us! Let's get ready for  
May. Please remember to change out  
the winter clothes in your child's  
cubby and to bring in spring/  
summer clothes.

Thank you for your support and  
encouragement,

Ms. Katema and Ms. Nora

### TODDLER ROOM 1

Hey Everyone!

Spring with the toddler one's! Hello everyone! As you know, we are close to finishing up the school year. Summer themes are lined up and ready for the toddlers to enjoy. This year has been a blast for us and also bitter sweet, as we said goodbye to Fiona- with a new journey in life as her family relocates. We also said "see you later" to our friend Iris as she moved up to Ms. Laura's class. We are doing excellent with our name recognition, colors, shapes, and alphabet. Be sure to swap out your child's spare clothes due to season change and super growth spurts!

With Love,

Ms. Chelly and Ms. Jewellery

## CHILDREN'S HOUSE 1-1

This past month has been so wonderful since spring has sprung! We learned about the letters P,Q,R and have begun S! We celebrated Aiden and Tom's 3rd birthdays. The week before Mother's Day we spent time on a present project that took many days and multiple steps to put together. Please make sure to take sheets home weekly for washing, but don't forget to bring them back!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

Last month CH-2 completed many fun and exciting art projects and science experiments. In addition, the class celebrated Adrian's birthday, as well as the annual Easter Egg Hunt. Several of the art projects the class enjoyed were creating bags for the Easter Egg Hunt. The children also created tissue paper dragonflies in the spirit of the summer season. Finally, for science the class created elephant toothpaste. Everyone really enjoyed watching all the foam and bubbles!

With gratitude,

Ms. Fiona and Mr. Will
