## TODDLER ROOM 2

Summer is here and the toddlers have been enjoying their Summer Themes! For “How Does Your Garden Grow?” week, we planted seeds and watched them sprout! For “Field Day” week, we played with balls, bubbles and chalk. For “Blast From The Past” week, we had so much fun making tie-dye t-shirts. We ended the month of June with “Things That Go” week and had fun learning about trucks and using toy cars to paint. Summer also means Splash Day, and the toddlers had a blast playing in the water! We enjoyed celebrating Father’s Day and making paintings for our daddies.

Smiles,  
Ms. Lindsay and Ms. Paw

## CHILDREN’S HOUSE 2-2

We're going to begin July with a fun theme of discovering things from around the globe. Then we'll jump into our submarines and head under the waves to study sea life. To finish the month we'll dig for bones in our dinosaur theme. We're rolling into one of the hottest months of the year so please make sure your child has a water bottle every day and proper clothes.

With gratitude,  
Ms. Maddy and Ms. Allie

Our toddler friends are adjusting very well this summer. Also, we would like to welcome our newest friends Oliver and Olivia to our class with open arms. Let's make this a GREAT summer! See you there!!!

Please don't forget to apply sunscreen on your child before or at drop off.

## CHILDREN'S HOUSE 1-1

Summer is just flying by and we are loving our summer themes!! We have tie-dyed, made paper airplanes, created Stars and Stripes collages, and celebrated holidays from around the world. Our new friend Audrey joined our class, and we are so happy to have her. We also try to play outside as much as possible in this crazy heat and humidity. Remember to drink lots of sunscreen and wear a lot of water!!! 😊

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

Last month went by so quickly for CH-2! June was filled with a flurry of activities as we changed from the school year to weekly themes. Some of the activities included planting seeds for "How Does Your Garden Grow?" and holding egg races for "Field Days." The children also had a blast on Tie-Dye day and all their splash days.

Finally, we had to sadly say goodbye to our friends Martha and Ariana. We will miss them and wish them all best at their new schools!

With gratitude,

Ms. Fiona and Mr. Will
