June 2019

## TODDLER ROOM 2

May was a fantastic month in the Toddler 2 class! We started off the month with a Star Wars celebration as we celebrated May The Fourth. We made gifts for our mommies for Mother's Day, and we ended the month by ending the 2018-2019 school year. We learned about the colors blue, yellow, green, purple and orange. We learned how to say "friend," "toy," "car," "truck," "hot," and "cold" in Sign Language. We learned about the goat, octopus, hyena, flamingo, and rabbit. The toddlers also had fun making flamingo crafts, rainbow crafts, fingerpainting, and Do-A-Dot painting. We had such a great school year, and are looking forward to our weekly Summer Themes!

Smiles,  
Ms. Lindsay and Ms. Paw

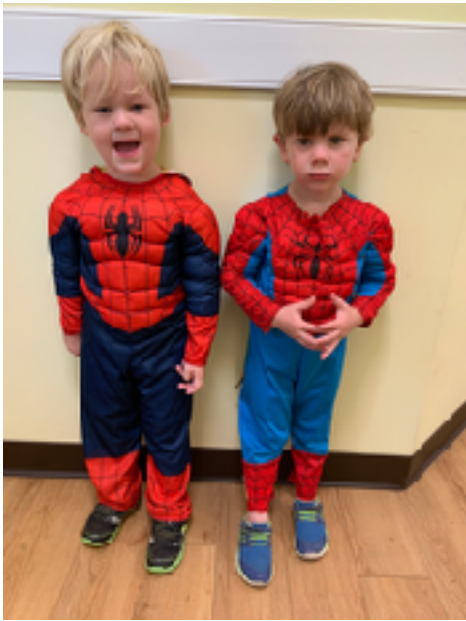

## CHILDREN'S HOUSE 2-2

June is all about starting our official "Countdown to Kindergarten" which is, of course, our big musical theater production scheduled for the end of the month. Our graduating friends are playing the main roles with our 3-4's providing support as the chorus. We're so excited for you to enjoy the fruits of our labor. If you can't make the performance on June 27th, no worries, we'll be having a second performance at the Slip and Slide party in July. Don't forget we start water play this month, so make sure you bring in a towel, bathing suit, and water shoes for your child to enjoy this special summer activity.

With gratitude,  
Ms. Maddy and Ms.  
Septina

### **TODDLER ROOM 1**

Hello Summer Themes!

We ended the school year with a spectacular blast! We worked through all our letters, numbers and shapes. This school year has been wonderful to us. We are starting the summer off bright and enthused. We can't wait to see what the summer brings us. We welcomed sweet Liv to our class this month. She is adapting well and making new friends. Let's keep putting on our summer gear and sunscreen so we can rock out!

With Love,

Ms. Chelly and Ms. Jewellery

### **CHILDREN'S HOUSE 1-2**

May was a wonderful month! We enjoyed Mother's Day, we talked about different flowers, and we also learned about the letters V and W. Summer is around the corner! We are getting ready for splash day and good old summer theme fun! Here comes summer! We are ready for you!

Thank you for your support and encouragement,

Ms. Katema and Ms. Nora

## CHILDREN'S HOUSE 1-1

Whew! It has been a scorcher recently! We had fun finishing up the alphabet and starting our summer themes!! We have enjoyed learning about gardening and being active with field day fun. Most importantly, splash day is back!! Please check on weather appropriate change of clothes in the cubbies!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

Last month CH-2 was as busy as a bee with fun science and art projects. In addition, the class celebrated Mother's Day, as well as three birthdays. Thank you to all the birthday parents who brought treats. Everyone loved them!

Several of the art projects the class enjoyed were tissue paper kites and special heart bowls for Mother's Day.

A couple of the science experiments we conducted included walking on eggs to see how strong they are and blowing up balloons with bottles. The class was amazed that the eggs didn't break!

With gratitude,

Ms. Fiona and Mr. Will
