August 2019

## TODDLER ROOM 2

The Toddler 2 class had a fantastic July! We started off the month by making American flags for “Stars & Stripes” week. We tried food from all over the world during “International Celebrations” week, and we learned all about the animals that live in the ocean during “Under The Sea” week. We finished off the month with “We Dig Dinos!” week where we got to learn all about dinosaurs. The Toddler 2 class has been enjoying Yoga Class and Splash Day. We were very happy to have Music Class return at the end of the month! We are looking forward to finishing up our Summer Themes and starting a new school year in the month of August.

Smiles,  
Ms. Lindsay and Ms. Paw

## CHILDREN’S HOUSE 2-2

What a fun summer it has been so far, though we've had to say good bye to some of our friends as they move on to Kindergarten. This month we'll continue with our summer themes and then take a vote on what we want to learn about for the last week of August. We only have 2 Splash Days left, one on the 8th and the last on the 22nd. Please make sure you send your child in with swimsuits and sunscreen applied on those days.

With gratitude,

Ms. Maddy and Ms. Ali

### CHILDREN'S HOUSE 1-2

Goodbye July, Hello August! It's that time of the year again as we prepare for the school year around the corner. We have one more theme left for the summer. This week it's Hawaiian Luau, and the last week we have Craft and Create. We can't wait! We are very excited that the 23rd will be our movie day and our last day pizza party. So let's enjoy these last few weeks of summer theme fun, and welcome the school year with a bang!

Thank you for your support and encouragement,

Ms. Katema and Ms. Nour

### TODDLER ROOM 1

Hello Everyone!!!

Unfortunately summer is slowing to an end. It has been a fantastic and exciting summer. We enjoyed each and every theme we had this year. They all were great and wonderful experiences. We welcomed two new friends along the way, Anwar and Greta. They fit right on in perfectly. We are happy to have them. We will be wrapping up the summer with movie day and yummy treats. Back to school routine and schedule will be back in its full effect. Can't wait to see what this school year has to offer! See you there and thanks for all your help throughout the summer.

With Love,  
Ms. Chelly and Ms. Jewellery

## CHILDREN'S HOUSE 1-1

Summer is just flying by! We can't believe next week is our last summer theme week. We've had so much fun learning about dinosaurs and things under the sea. We loved baking and meeting some community helpers. We had to say goodbye to some friends, but luckily we say hello to new ones. Please remember to take nap sheets home weekly to wash so they are fresh and clean for a new week. We look forward to learning and growing in the new school year!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

In July CH-2 enjoyed many summer themes such as Under the Sea, We Dig Dinos! and International Celebrations. Several of the activities we enjoyed during our theme weeks were seahorse marbling for Under the Sea week and creating our own dinosaurs for We Dig Dinos week.

We also welcomed two new students to CH-2, Yuexi and Charlie. They have have been a delight to get to know! Finally, the class continues to enjoy Show and Share as well as Splash Day.

With gratitude,

Ms. Fiona and Mr. Will
