## TODDLER ROOM 2

The Toddler 2 Class had so much fun finishing our Summer Themes during the month of August. For “The Great MACH Bake-Off” week we enjoyed making a Cookie Candy Pie for the school-wide baking competition. The highlight of the summer was definitely “In Our Community” week where we were visited by the Carrboro Fire Department and Carrboro Police Department. We had fun drinking tropical juices and listening to Hawaiian music during “Hawaiian Luau Party” week. And we ended the summer doing arts and crafts during “Craft & Create” week. We are so excited to start off the 2019-2020 School Year!

Smiles,

Ms. Lindsay and Ms. Paw

## CHILDREN’S HOUSE 2-2

The school year has gotten off to a fantastic start in Children's House 2-2. Our friends have decided to name our class the "Maverick's" and we've even come up with a theme song! This is a new idea we've decided to implement to strengthen our classroom family and build unity. The first week of school we went back to basics in our theme to review our letters and numbers in preparation for our academic year. We'll be doing a "All About Me" theme which will then smoothly transition into a theme about our 5 Senses. Please remember to bring in school supplies like paper and watercolors. Also, some of our friends don't have a change of clothes. Even if your child is fully potty trained, accidents happen so EVERYONE needs to have extra clothes.

With gratitude,

Ms. Maddy and Ms. Ali

### TODDLER ROOM 1

Back 2 school !!

Hey everyone! As you know, our summer days have ended, and the new school year has started. This school year we will be more hands on and doing more class projects! How exciting, right?! We will continue to learn our alphabet, shapes, colors and numbers. We have stepped it up a notch in circle time introducing the seasons such as fall, winter, summer and spring. This year will be a blast! We are truly excited and thrilled to see what this year has to offer us. On a side note, by September 23rd, can you please swap out your child's back up clothes due to weather change? Out with the summer clothes, in with the fall. Thank you Toddler 1 crew! You guys are the best.

With Love,

Ms. Chelly and Ms. Jewellery

### CHILDREN'S HOUSE 1-2

Well, our are summer themes have ended. Summer is slowly winding down, and we're slowly approaching fall. So, hello September! Let's get ready for the school year! We are so excited to see what this school year will bring. Parents, remember if you can donate some school supplies and craft supplies to our class, that would be very wonderful! CH 1 will be learning all new types of wonderful things this year! Can't wait! Let's go Fall!

Thank you for your support and encouragement,

Ms. Katema and Ms. Nour

v

## CHILDREN'S HOUSE 1-1

Woohoo to a new school year! We are so excited to begin learning! The plan is to focus on the letters in our name and name recognition, while getting into the groove of work cycle. Colors and shapes will be another focus of learning for the beginning of the school year. We say goodbye to our friend Emmeline and hope she has so much fun going to school with her baby brother! As always, please make sure to check cubbies for weather appropriate extra clothes and anything your child may need!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

Last month CH-2 completed many fun and interesting art projects and activities. We also had to sadly say goodbye to some of our friends as they headed off to kindergarten. We will miss Olive, Madison, Tommy, Dylan and Adrian, but we know they will will have a great time at their new schools.

Although we had to say goodbye to our friends, the class also had a great time with art projects and science experiments. Several art projects the class enjoyed included sponge painting and creating paper bag monster puppets. In one of the science experiments, the class was able to get very hands on creating fluffy slime.

Finally, the class had a blast with movie day and ate ice cream sandwiches to celebrate the end of the summer and the start of the new school year.

With gratitude,

Ms. Fiona and Mr. Will
