November 2019

## TODDLER ROOM 2

The Toddler 2 Class had a fun and spooky month of October! We celebrated Halloween all month long with our crafts. We painted Candy Corn, made ghosts and Frankenstein's monsters, and painted our own pumpkins to take home! On Halloween, we had fun wearing our costumes to school and going trick-or-treating. During the month of October, we also learned about words that start with the letters D, E, F, G and H. We learned how to say "Thank you," "Mommy," "Daddy," "Grandama," and "Grandpa" in Sign Language. And we learned all about tigers, dogs, cats, turtles and monkeys! What a fun month!

Smiles,  
Ms. Lindsay and Ms. Paw

## CHILDREN'S HOUSE 2-2

We're so excited as we finally welcomed more seasonable temperatures giving us the true feeling of fall in the air. This month will be all about family, giving thanks, enjoying what we love and preparing for the holiday season. Thank you so much for all the parents who contributed to our Halloween celebrations and a special thank you to Ira's dad, Adam, who came in to read to the class. It was really special to have you join our class that day.

With gratitude,  
Ms. Maddy and Ms. Ali

### CHILDREN'S HOUSE 1-2

Hello November! So happy to see you! We had a blast for our Halloween cookie party and had a good time trick or treating to each of the classrooms with the kids dressed up in cool costumes. We loved them all! November will bring new songs, new letters, and new numbers. For Thanksgiving, we will be talking about where the name Thanksgiving came from and what we are thankful for. Have a wonderful, beautiful Fall from Ch1.

Thank you for your support and encouragement,

Ms. Katema and Ms. Nour

### TODDLER ROOM 1

The leaves are falling, the leaves are falling!

Hello everyone! I must say time is flying by too fast. We are almost at the end of the year, but that doesn't mean the learning stops. We have accomplished so many things this year as a class. We have learned how to count, singing our abcs in the correct order, and strive throughout all activities during circle time. Last but not least, we have learned how to color match. Yay! How exciting! It's still a work in progress. We have said many "see you later"s these past couple of months due to our friends moving up to the next class. But we've also welcomed two new smiling faces, Ethan and Rozlien. I must say these kids are growing up fast and leaning beyond the unthinkable. Next month will be Tis the Season! We will be doing Christmas/holiday activities and crafts. Sounds exciting, right?!? See you there.

With Love,

Ms. Chelly and Ms. Jewellery

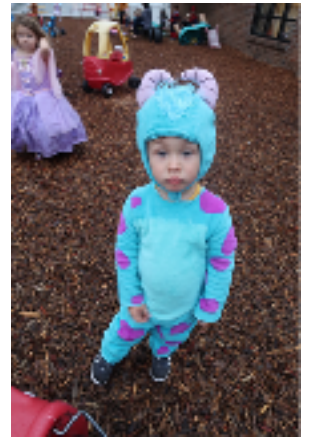

## CHILDREN'S HOUSE 1-1

What an amazing end of October/beginning of November we had! We learned about letters and did so many fun arts and crafts. Halloween was such a blast! Charlotte, Wesley and Violet have turned 3. Tom moved up to Ms. Maddy's class and Orin, Mako and Amy have joined us. We try to get outside and enjoy the nice weather as much as we can before it gets super cold. Please check cubbies and make sure there are good warm extra clothes.

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

In October, the class welcomed the start of fall with new art projects and science experiments. Several art projects the class completed included creating witch's houses and paper plate handprint wreaths.

Several science experiments the class participated in included creating rain with sponges and making raisins dance with vinegar and baking soda.

Finally, the class had an awesome Halloween party with trick or treating, games and a walk around the sun to celebrate Ben's birthday!

With gratitude,

Ms. Fiona and Mr. Will
