October 2019

## TODDLER ROOM 2

September was a fantastic month in the Toddler 2 class! We started our ABCs and learned about words that start with A, B and C. Each week we learn about a new animal, and during September we learned about zebras, giraffes and whales. We've also been learning some Sign Language and learned the signs for "more," "help," and "please." For our crafts, we made handprint turtles, painted apples with Do-A-Dot paints, and used plastic bottles to paint fall leaves on trees. We also had our photos taken on School Picture Day! We are looking forward to doing lots of fun Halloween activities in the month of October!

Smiles,

Ms. Lindsay and Ms. Paw

## CHILDREN'S HOUSE 2-2

We're gearing up for a super fun month between the pending excitement of Halloween and not one, or two or even three birthdays, but FOUR! I hope the parents of our birthday kids look at my book wish list and consider dedicating a book to your child to mark the occasion. It's a tricky time of year for greatly varied outside temperatures so please make sure you're dressing in layers and that your child has a change of clothes in his/her cubby.

Even if your child is reliably potty trained, you never know when accidents will happen with paint, mud, drinks, etc. I'd also like for parents to participate in our classroom activities, so anyone who's willing to do an activity or come in a read a book to the class, please see me. Last, but not least, we're always looking for someone to take our guinea pigs home for the weekend, so if you can help us with that, it would be greatly appreciated.

With gratitude,

Ms. Maddy and Ms. Ali

## TODDLER ROOM 1

It's Fall y'all!

Hello everyone! Whew! Time is steadily flying by! Where did the season go? Back to school has been a full ride. We are accomplishing so many things such as number counting, recognizing our names, and the going over the newest of the bunch: the seasons. We are currently pushing through the year and fully adapting to our routines. On a brighter note, we welcomed two new friends to our class. We are lucky to have Amy and Makaio join our class. I can't wait to see what the rest of the year and holidays have to offer us. Thank you for being patient and understanding of the toddler 1 classroom. Please start to change out your child's back up clothes due to weather changing. You guys rock!

With Love,

Ms. Chelly and Ms. Jewellery

## CHILDREN'S HOUSE 1-2

October is here! We can't wait to welcome Fall and see what the season will bring. As we work our way through the alphabet, we are finishing up with the letter B and learning about words that start with B. Have a Happy Fall!

Thank you for your support and encouragement,

Ms. Katema and Ms. Nour

## CHILDREN'S HOUSE 1-1

It has been quite a month since our last newsletter friends! We've said goodbye to our friends Ruby and Ezra, but we got to say hello to JJ, Oliver and Mako! We have enjoyed getting to know our new friends and review our letters, number, colors and shapes. We are focusing on learning the letters in our names for name recognition. We also have talked a lot about the seasons since we are now in fall. Goodbye hot summer! With the weather changing please check the orange cubbies for appropriate seasonal extra clothes!!!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2-1

This month CH-2 was busy with many fun art projects and science experiments. We also celebrated two birthdays. Our friends Cater and Andreas got to walk around the sun.

Several of the art activities the class enjoyed included finding their hidden names with paint and some potato stamping.

Finally, one science experiment the class really enjoyed was finding the hidden colors through combining baking soda and vinegar.

With gratitude,

Ms. Fiona and Mr. Will
