TODDLER ROOM 2

Happy New Year! The Toddler 2 class had fun ending the year 2019 in the month of December. We learned about letters L, M and N. We learned how to say “Milk,” “All Done,” and “Play” in Sign Language. We also learned about meerkats, mice, and flamingos. We had lots of fun making holiday crafts including holiday lights, wreaths, Menorahs, and ornaments. Thank you so much to everyone who donated cans of food to our Food Drive! It was a great success! And we had so much fun ending the year with Movie Day! It’s been a wonderful year, and we are all looking forward to a fantastic 2020.

Smiles,

Ms. Lindsay and Ms. Paw

CHILDREN’S HOUSE 2-2

Welcome to a new year in Children's House 2-2! We're so excited about getting back into the swing of things. We started off with our lesson plan about being kind and then we'll go into our back to basics lesson plan. The children then voted to have our space lesson plan next. One of the changes this new semester will be our job board. The children will have an opportunity during circle time to sign up for one of the many classroom duties and will be counted on to help with that all day. It's a wonderful way to teach self help skills, independence and team work. Please take a moment to make sure your child has a change of clothes, even if you believe them to be reliably potty trained. An incident with a messy sensory table taught us a valuable lesson about the importance of a change of clothes for everyone.

With gratitude,

Ms. Maddy and Ms. Ali

TODDLER ROOM 1

Hip Hip Hooray! It's a New Year!

Welcome back everyone! It's been a long journey in the toddler room 1. We have so much to accomplish before the school year is up. Each day in the toddler room we are discovering new things and making progress on our daily learning activities. Also, thank you for practicing "Flip Flop Over Top" at home. They are becoming pros and very much independent. Be sure to swap out your children's clothes due to season change, and their growing little bodies! Can we say growth spurts? :) See you guys next month!

With Love,

Ms. Chelly and Ms. Jewellery

CHILDREN'S HOUSE 1-2

Happy New Year! Welcome 2020. New year, new things. I hope everyone had a wonderful holiday with friends and family. It's the New Year, so we have lots of new, exciting, fun activities that we will do. Just a reminder, please change out your lovely babies' clothing to winter clothing. Some of them still have summer clothing. We would love to keep our babies warm during the winter season. Let's make the best out of 2020! Yayyyy!

Thank you for your support and encouragement,

Ms. Katema and Ms. Nora

CHILDREN'S HOUSE 1-1

We are CH 1-1 and this is 2020! We are so excited to begin a new year of fun and learning. Hopefully everyone had a wonderful holiday break! We ended December with parties and holiday cheer, but now it's back to the business of letters, numbers and colors. Oh my! We cannot wait to see what the rest of the academic year brings. Please remember to check orange cubbies for seasonally appropriate change of clothes, and for our potty training friends plenty of extras!!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-1

Happy New Year! We ended the year with lots of new beginnings and wish everyone the best! This month we'll be celebrating MLK day and Chinese New Year.

In art, the children enjoyed building snowmen with cotton balls and painting a winter weather watercolor scene (which is something we are all wishing for.) For science, we mixed color dyes to make secondary colors. We also made a lava lamp with oil and water for our letter of the week- Vv for Volcano.

Last but not least, Lara and Oliver had their birthdays and Winnie will have one soon. Have a great new year everyone!

With gratitude,

Mr. Will and Ms. Diane
