February 2020

TODDLER ROOM 2

The Toddler 2 class had a fantastic January! We've been continuing with our alphabet and learned about the letters O, P, Q and R. We also learned how to say "ball," "stop," and "share" in Sign Language. We learned about rhinos, butterflies and lizards. We enjoyed fingerpainting, making handprint unicorns, painting with watercolor paints and painting with Do-A-Dot paints. We also enjoyed music class and Montessori Work Cycle. 2020 is off to a great start!

Smiles,
Ms. Lindsay and Ms. Paw

CHILDREN'S HOUSE 2-2

We started the month of February with the child chosen theme of "All About Our Bodies." From there we moved into discussing our 5 senses and then our emotions just in time for Valentine's Day. We'll post the names of all our students on the door. Please address each student individually in your valentines and place them in our heart mailbox. If your child is able to write his or her name, please have them sign their own valentines. The weather has been hard to predict so please make sure your child has an appropriate change of clothes.

With gratitude,

Ms. Maddy and Ms. Ali

CHILDREN'S HOUSE 1-2

February is full of love and happiness. Valentine's day is right around the corner. Ch2 is excited for Friday to come. This Month we are learning about the letter I, the number 7, and the color red. We are having so much fun with words that begin with the letter I. Parents please don't forget to sign up for our Valentine's day party on Friday.

Thank you for your support and encouragement,

Ms. Katema and Ms. Nora

TODDLER ROOM 1

Fabulous February!

Hello everyone! We're back at it again in the toddler room 1. Soon it'll be spring time before we know it. Great news! We have accomplished "Flip Flop Over Top." These kids can put their coats on by themselves! Hip hip hooray!!! We are still working on recognizing our names and colors. We have so many upcoming 2 year olds. It won't be long before they'll be ready to transition. Also, we'd like to welcome our newest friend Aram. He has such a huge personality and fits right in with the crew. We are so happy to have him in our class. With that being said, we are still blossoming and achieving goals as the months go by. Stay tuned & see you there!

With Love,

Ms. Chelly and Ms. Jewellery

CHILDREN'S HOUSE 1-1

We are into our second month of 2020! We got back into the swing of things well. We cherish the time we can play outside when it is not cold or rainy. We have continued learning and doing our arts and crafts! This month we are so excited to celebrate our friend Iris turning 3! Parents please check cubbies for extra clothes even shoes for our potty training friends!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-1

Happy Valentines to all! We celebrated Groundhogs Day and Valentines this month and will be recognizing Mardi Gras/Shrove Tuesday. We have democratically decided on a class name "Bumble Bees" and are planning on decorating our birthday wall with the theme "Doughnuts." Let's let out a loud buzz for the Bumble Bees!

We will be celebrating Charlie and Melody's birthdays this coming month. Ms. Jen has been teaching the children sign language lately so ask your children to show you some signs. This month we made a few Valentine gifts, talked about the origins of Valentines and Groundhogs Day, and a parent from CH 2-2 will be making crepes for both classes for Mardi Gras!

The children have been learning about Spring Festival, Groundhogs day, and Lupercalia; so this is a great time for you to talk about Spring and what your children think of it. One of our friends recently bought seeds for all the children for Valentines. We would love to see some results! If you have any advice or materials to Spring us forward with planting, let Mr Will or Ms Jen know.

With gratitude,

Mr. Will and Ms. Jen
