March 2020

TODDLER ROOM 2

February was fantastic in the Toddler 2 class! We learned about letters S, T, U and V. We also learned about raccoons, tigers, gorillas and hippos. We continued with our Sign Language, and learned the signs for “I Love You,” “Hello,” “Happy,” and “Play.” We had lots of fun doing art projects like coloring with chalk, painting with sponges, coloring with markers and making handprint dinosaurs. We especially loved celebrating Valentine’s Day and exchanging Valentines with our friends. We are very excited for the month of March and the start of Spring!

Smiles,

Ms. Lindsay and Ms. Paw

CHILDREN’S HOUSE 2-2

We started March with a flutter as we continued our discussion of birds. We plan on going into other animals as the month progresses and will be pushing academic challenges now that our Kindergarten bound friends are only a few month away from big changes. If winter had a spring, it would be March, especially this year with the super warm temperatures we've been enjoying. It's not easy picking the right clothes for the day when the mornings are so cold and the afternoons are so warm so think layers!

With gratitude,

Ms. Maddy and Ms. Ali

CHILDREN'S HOUSE 1-2

March is here, and we are excited for the up and coming letters we will do . Next week will be st. Patrick's Day. So as we prepare for St. Patrick's Day and to wear our pretty lucky green, let's enjoy and have fun. Parents please don't forget to change out extra clothing for spring time, and make sure your child has plenty of extra underwear and pull-ups.

Thank you for your support and encouragement,

Ms. Katema and Ms. Nora

TODDLER ROOM 1

Lucky March !

Hello everyone! It's that time again, meaning let me tell you about what's going on with the toddler room 1. We are half way through the school year. We have accomplished so much such as following simple directions, flip over top, and taking off our sheets and blankets after nap time. Whew! Such a huge accomplishment for them to take off and put the sheets away in their own nap sacks. We are still working on colors, shapes, numbers and recognizing their names. Not to forget, we will be welcoming a couple of new faces to our classroom. Natalie, Hailey and Townes- please give them your biggest and warmest welcome! Being said, the season will be changing soon, so please be sure to swap out your child's change of clothes due to weather and growth. Thank you for all the support.

With Love,

Ms. Chelly and Ms. Jewellery

CHILDREN'S HOUSE 1-1

Wow! We are loving this crazy March weather! Parents please check orange cubbies for change of clothes appropriate for changing temperatures. Hopefully this rain will go away!!! We have enjoyed celebrating our friends Iris and Audrey turning 3! We also welcomed new friends Lili and Chen. We continue working on our letters, shapes, numbers and being nice friends with good listening ears. We can't wait to celebrate St. Patrick's Day, so don't forget to wear your green!!!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-1

Hello friends and family! Spring is in the air, and with that comes pollen for some of us. We have made our birthday wall! Beautifully done by all and even two little donuts for our little piggly wiggles. We've been talking all about women this month and all the things that they have done and what can be done to improve the world for women. The ground is ready for planting and we will be planting lavender and learning all about bees as we talk about Spring. If any parents would like to come in and talk or do an activity, by all means feel free to reach out to one of us; we'd love you in the class. Ruby will be having a birthday coming up soon and an early welcome to Charlotte to the classroom. We're all excited for you to join us.

We have been vigilant on hand washing in our class and making sure the classroom is safe and secure. The weather has been warming up lately and we've already broken out the sunscreen and we'll let you know if we need more. We want to send a shout out to Ollie and Melody! Hope you two are doing well. We'll get out postcards to you two soon. Thank you all for your support and discussions, and keep on talking to the kids, we're going to get them to answer back. On our festivity schedule we'll be celebrating St. Patrick's Day, first day of Spring, and April Fools as well. We look forward to another month with everyone.

With gratitude,
Mr. Will and Ms. Jen
