

# Montessori Academy

OF CARRBORO

April 2020

During these difficult and unprecedented times, we are keeping calm and carrying on here at the Montessori Academy of Carrboro. We are open and caring for children with a reduced staff.

The children here have been learning about weather, and have been doing rain cloud experiments. We've also talked about the importance of rain. We've also been learning about feelings and hygiene, including proper hand-washing technique!

We've been enjoying story time and making arts and crafts. We had a lot of fun making a handprint flower 3-D craft. We have also been enjoying the beautiful spring weather, and have been spending lots of time playing outside.

We miss all of you very much! We are all very much looking forward to having everyone return to the Montessori Academy of Carrboro. Until then, we hope everyone is staying safe and healthy!
