April 2021

TODDLER ROOM

We are off to another great month in the Toddler class! We have been continuing with our colors and have learned about the colors Blue, Green, Orange and Purple. We had fun celebrating Easter with an Egg Hunt on the playground. We've been doing fun art projects like fingerpainting, watercolor painting and making handprint flowers. We've also enjoyed reading books during Story Time and doing our Montessori Work Cycle. And since the weather has been warming up, we've been enjoying lots of outdoor play time!

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms.
Paw Soe

CHILDREN'S HOUSE 1

What a difference a month makes!! We have been enjoying this nice weather with very little rain by doing lots of outside play time! We enjoyed finishing out the month of March learning about amazing women and their contributions to history. We celebrated Liv's 3rd birthday on the very last day of March! It was a busy holiday season for the first week of April. Our class learned about Passover and read Easter stories. We crafted some Easter chicks to celebrate the new life springtime brings. Please check orange cubbies for weather appropriate extra clothes.

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-2

Hello, friends!

Hello, friends! April started off strong with April Fools' Day. We had a fun and friendly day of jokes. We have also learned about the celebrations of Passover, Easter, and Ramadan. For Easter we had an egg hunt on the playground! Next we will celebrate our home planet for Earth Day.

We are excited to welcome Kylo and Amy to our class! We look forward to our class continuing to grow throughout the year. Parents, remember that teacher conferences are coming up!

As the weather continues to warm up, students should come to school prepared for plenty of time outside. Please remember to check with Ms. Jen and Mr. Sean to make sure your students have approved sunscreen, bug spray, chapstick, etc. at school. These products require forms and proper storage in the classroom and should not go in backpacks or cubbies. Sunglasses and hats are also welcome. Thank you!

With love,

Ms. Jen and Mr. Sean

CHILDREN'S HOUSE 2-1

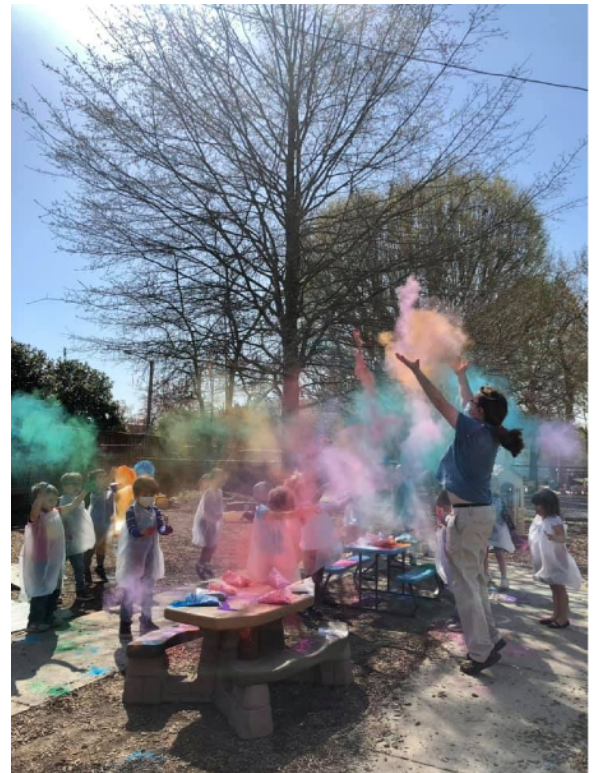

Good day Friends and Family!

We have had quite the festive time since our last Newsletter. We've remembered the bitter times during Passover and appreciated how well we are today. We celebrated the victory of light over dark and made our day as colorful as possible. We welcomed in the new season of Spring and talked about all the new things we will see. We are currently celebrating Ramadan, a time to improve ourselves and the lives of others. I'm personally looking forward to Pajama day on the 16th of April!

The weather is certainly warming up, but our mornings are still chilly. So please, friends and family, remember to bring a light jacket or such for your loved ones. Ms. Kuku and I will be placing out permission slips for anything you would like to be applied to the children such as sunscreen and bug spray. Please apply Sunscreen in the morning before you come to school!

The month of April seems to be keeping all her water for now, but soon we'll start learning with our own water crafts. Currently we are learning about times of the day with a focus on night time. Next month we'll be having Parent Teacher Conferences and we look forward to seeing you all there!

With gratitude,
Mr. Will and Ms. Kuku
