## TODDLER ROOM

We are about to finish our summer themes and start the new school year. The Toddlers enjoyed tie-dyeing for Rock Around The Clock week. For Community Helpers week, we enjoyed reading books about helpers in our community and the types of trucks they drive. We had fun making Ice Cream for Top Chef week. We read The Very Hungry Caterpillar for Bugs and Butterflies week. Next week will be our last week of Summer Themes. The Toddlers will enjoy playing outside for Baby Boot Camp week.

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms. Paw

## CHILDREN'S HOUSE 1

Things have really been heating up this past month both in the weather and all the fun theme weeks! In the great summer tradition of fun we got tie dye!! We also learned about community helpers that make our world go round! We also learned about foods and healthy eating. We practiced our cooking skills by making nachos! Yum! We are currently at the end of bugs and butterflies week and have had so much fun learning and crafting. Judah joined our class and celebrated turning 3! We look forward to our final weeks of summer themes and then gear up for a wonderful academic year!

With so much love,

Ms. Laura and Ms. Julia

## CHILDREN'S HOUSE 2

Greetings Mach family and friends! Mr Will and Ms Jen are back together in Ch-2 and we would like to send our best and thank Ms Sarah for all of her hard work, dedication, and love for the children. We are coming to the end of our Summer Camp this month and what a time it has been! We learned about nutrition and the food plate so we know how much to eat of which groups and that in moderation, even sweets and sugars can be good. This week was all about Bugs and Butterflies where we made cute little caterpillars.

Next week we will be getting fit and learning about wellness of body and mind. Our friend Josephine turned the big 5 this week. Happy birthday! Some of our friends also are going on to kindergarten and we wish them the best and that they will be missed.

With gratitude,  
Mr. Will and Ms. Jen
