TODDLER ROOM 2

November was such a fun month in the Toddler 2 class! We learned about the letters I, J and K. We learned how to say “Eat,” “Drink,” and “Water” in Sign Language. We also learned about sheep, horses, and elephants. For our crafts, we did fingerpainting, made handprint birds, made balloons, painted with Do-A-Dot paints, and painted Cornucopias. We also enjoyed Montessori Work Cycle and Story Time. We ended the month by celebrating Thanksgiving! We are looking forward to a fantastic December and hope everyone has a wonderful Holiday Season and a Happy New Year!

Smiles,
Ms. Lindsay and Ms. Paw

What a busy time of the year as we head into holiday festivities and other end of the year happenings, like parent teacher conferences. The concert is scheduled for mid month and we hope to see all of you at Gwen’s big 5 and my big 50th mega birthday bash. Besides the Slip and Slide Party, this is THE event of the year. I’d like to thank everyone who has helped support our class throughout the school year. We could not do this without you. Last but not least, we always do a major clean up and painting over the winter break so please make sure you take home all art work and your child’s other belongings. See you next year!

With gratitude,

Ms. Maddy and Ms. Ali

Gobble Gobble to Brrr It's Cold!

Hello parents!! What can I say? The year has come to an end. We have had an amazing time in the toddler room 1. Some of us have gone from just learning how to walk to crawl and to running all over the place. We have accomplished so much within this year, I am truly astounded, but thrilled and fully confident to say I am proud of my students. I've seen each and every one of them grow into these brilliant little human beings. I know they have more to come as they transition and move forward. For all my new students who still have time with us, I can't wait to see what the new year has to offer us. Also how can I not say THANK YOU to all my parents who have supported us in any kind of way, even with stuffing their little mouths with yummy treats for all the parties and celebrations we've had. But most of all, thank you for the mental support, we couldn't have done it without you. We will continue to finish out the year with learning and showing all our progress we gained.. 'Tis the Season & Happy Holidays to you all. See you in the year 2020:)

With Love,

Ms. Chelly and Ms. Jewellery

Happy Thanksgiving! I hope everyone had a fun and safe Thanksgiving. We sure did enjoy our 4 day vacation with our families and friends. November has come and gone so fast, but we say hello to December! What will this month bring? New shapes, letters, Christmas songs, joy, and the list goes on. Come on December, we are ready for you. Parents, just a reminder to please bring extra change of clothes and underwear for our lovely children in the Ch1-2 class. Thank you.

Thank you for your support and encouragement,

Ms. Katema and Ms. Nora

Tis the season for celebrations! In November we celebrated Violet, Miles and Oliver turning the big 3! Ms. Laura celebrated her wedding and birthday (she did not turn 3!) We celebrated Thanksgiving and talked about all the things we are thankful for while also crafting all kinds of turkeys! We continue to work on our letters, numbers and shapes while learning to be good friends to all. Now it's December and we prepare to celebrate all the festive holidays this month! Stay warm friends!

With so much love,

Ms. Laura and Ms. Julia

Last month CH-2 enjoyed a fun filled month with art activities, science projects, two birthdays and Thanksgiving break. Several of the art projects the class enjoyed included turkey handprints and painting with tin-foil.

A couple of science experiments the class enjoyed were creating moon rocks and learning about oil spills and how they affect our oceans.

The class also celebrated two birthdays, Audrey and Escher's, with treats and walks around the sun.

Finally, everyone finished the month with Thanksgiving break with friends and family.

With gratitude,

Ms. Fiona and Mr. Will
