February 2021

TODDLER ROOM

The Toddler class had a fantastic February! We've been continuing with our ABCs and have learned about letters S, T, U and V. We've missed having Yoga Class while Ms. Maria has been out of town. We've enjoyed playing musical instruments, listening to Story Time and doing lots of arts and crafts projects. The toddlers had so much fun exchanging Valentine cards with their classmates for Valentine's Day! We are all very much looking forward to spring.

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms.
Paw Soe

CHILDREN'S HOUSE 1

We have been having fun despite all this silly rain!! February has been jam packed! We celebrated friendship, love and kindness by exchanging Valentine's and crafting presents for our parents! We have also been busy celebrating a lot of friends turning three! Welcome to the 3 year old club Theo, Dani, Tom and Edward!! We are finishing the month strong by celebrating Black History Month and all the amazing contributions Black people have made to our world!

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-2

Hello, friends!

We are having a fabulous February so far. We are celebrating Black History Month by learning about important African Americans like Martin Luther King, Rosa Parks, and Katherine Johnson. We also rang in the Lunar New Year and had a super fun Valentine's Day celebration.

We have also been keeping up with our yoga while Ms. Maria is away and keeping our bodies moving with dance while we clean up. Our favorite song to clean up to teaches us how to move our bodies and count backwards from 100 at the same time!

We are so excited that our class is filling up with new friends! We recently welcomed JJ, Mako, and Ezra to our class and we are having so much fun!

Now we just wish the rain would go away. Until then, stay warm and dry!

With love,

Ms. Jen

CHILDREN'S HOUSE 2-1

Good day Friends and Family!

We've had a lovely February this month. Our class is now a Fairy class, and we'll be making themes soon. Thank you all for your toilet paper and paper towel tubes. We will be using these to make a castle to replace our donut wall on next to the white board. We've been discussing three key topics this month; Kindness, Dental Health, and Black History. Mr Will will soon have 30 teeth. How many teeth has he lost as an adult?

This month we have 3 birthdays! Ethan, Charlie, and Iris are all celebrating their birthdays this month. We are having two Valentine Parties this month. We had Valentines parties on the 11th and the 15th. All of our children are here those days. The kids are loving Valentines, and it gives an excuse to string out the sugar they get. Talk with your children about kindness and see if they can find ways to be kind to others, even strangers!

We are having a special guest this month, one of our parents will be coming and talking to the children about Dental Health! If you would like to do an activity with the children, feel free to let Ms Kuku and I know. Parent involvement is always welcome!

With gratitude,
Mr. Will and Ms. Kuku
