January 2021

TODDLER ROOM

We are very excited to be starting a new year in the Toddler Class! We are continuing with our ABCs and have learned all the way up to the letter R! After we finish the alphabet, we will be learning about colors and shapes. We enjoy making many arts and crafts including painting, fingerpainting, Do-A-Dot, and more! We enjoy listening to Story Time, and we will be starting with our Montessori Work Cycle very soon. 2020 was a wild year with many unexpected surprises, but we have high hopes for 2021!

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms.
Paw Soe

CHILDREN'S HOUSE 1

Back in the swing of things in this new year! We have welcomed a few friends to our classroom and also say goodbye as they move up to Ms. Jen and Mr. Will's class! We have been talking about how it's a new year and reviewing our months. We also learned about Martin Luther King Jr. and why we got Monday off from school! We try to get outside and enjoy fresh air as much as possible. Hopefully the weather warms up soon! Until then please bring layers for all degrees!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-2

Happy New Year, friends! We are having a wonderful 2021 so far. We have been learning about important people who were born in January like Martin Luther King, Jr. and Benjamin Franklin.

We have also been talking about all the different types of transportation, from cars and airplanes to rocketships and submarines! We read Goodnight Little Blue Truck! and Last Stop on Market Street and colored pictures of different vehicles.

We have been enjoying the winter weather, even though it's caused some chapped hands and faces! Please feel free to send gloves, hats, and even chapstick and lotion if needed. Stay safe and warm!

With love,

Ms. Jen

CHILDREN'S HOUSE 2-1

Happy new year friends and family!

Hope everyone has had a good start to this new year. In Ch 2-1 we're starting anew with reviewing rules and behaviors at school. We are reminding children that their friends are here as well, and that they need to watch out for others as well as share with them. We'll be deciding soon the class name for 2021. Last year we were Donuts. Let's see if it sticks this year.

We've learned about Martin Luther King, Benjamin Franklin, and will soon be learning about Mozart. We also discussed that America has a new president and that he is our 46th President. We've practiced counting to 31 on the calendar. See if they can count to 46!

Winter is still here, so make sure your children are well equipped for the weather and that their extra clothes are winter clothes as well. Next month we'll be discussing love and how we can show our love by being kind and thoughtful. We are happy to have Lena having her 5th birthday with us. Thank you all for being in your children's lives.

With gratitude,
Mr. Will and Ms. Kuku
