### TODDLER ROOM

The summer has been flying by! The toddlers have been having so much fun with their summer themes. We made firework crafts, listened to patriotic music, and read books about America for Fourth Of July Fun week. For All Are Welcome Here, we learned about different cultures all over the world. We enjoyed making mermaid crafts and reading Peter Pan stories for Adventures In Never Never Land week. We can't wait to tie-dye next week for Rock Around The Clock Week!

Smiles,

Ms. Lindsay and Ms. Jewellery

## CHILDREN'S HOUSE 1

Hello again friends! The week of the Fourth of July we did all things red, white and blue!! We painted fireworks from paper towel rolls and had some fun with flags during our dance party! For all are welcome week we learned about different cultures and parts of the world by looking at an Atlas. We also read stories from around the world. Our fun craft was a Chinese lantern! We loved Adventures in Neverland so much we will never grow up! Our favorite thing was crafting hooks and telescopes and pretending to be Captain Hook! We just can't wait to continue the fun!

With so much love,

Ms. Laura and Ms. Paw

## CHILDREN'S HOUSE 2

Summer is warming up for the CH 2 class! We are especially enjoying our summer themes. For "Fourth of July Fun," we learned about the American Revolution and the Declaration of Independence. We also learned about some of our national symbols, like the American flag and the bald eagle.

For "All Here Are Welcome," we colored pictures of important monuments from countries around the world and learned about different cultures, languages, and traditions.

For "Adventures in Never Never Land," we read stories about Peter Pan and even watched a Peter Pan movie at the end of the week. We can't wait to see what fun the rest of the summer will bring!

With gratitude,  
Ms. Jen and Ms. Sarah
