TODDLER ROOM 2

Happy Summer! We've been having so much fun with our Summer Themes. We started with Where The Wild Things are and had fun reading the Maurice Sendak book, coloring Wild Things and having a Wild Rumpus Dance Party. For Hippie Dippie '60s week, we had so much fun doing tie-dye, listening to '60s music, and making a Lava Lamp.

Smiles,

Ms. Lindsay and Ms. Paw Soe

We ended the school years with a spectacular blast! We worked through all our shapes. We also had fun making hyacinth flower craft, pineapple handprint craft, and coloring pages. The toddlers have been enjoying their Summer Themes! For "Where The Wild Things Are" week, we read the book "Where The Wild Things Are," did wild dance party, and we colored wild animal coloring pages with markers. For "Hippie Dippie 60's" week, we had so much fun making tie-dye T-Shirts and doing a 60's dance party.

We finished the month of May strong and are so excited to start June with our summer themes! We wrapped up the school year with a review of all our basics: shapes, colors, and alphabet. Our first summer theme was "Where the wild things are" and we very much enjoyed letting the wild rumpus start! We decorated our crowns and became kings of the wild things while enjoying reading the classic book. Next, we have been enjoying hippie dippie 60s fun especially with our beloved tie dye day!!!! We can't wait to see what fun the rest of the summer brings!! As always please check cubbies for seasonally appropriate extra clothes! Come to school wearing sunscreen and we will reapply in the afternoon!

With so much love,

Ms. Laura and Ms. Nora

Hello, friends!

We are having so much fun with our summer themes so far! We had our very own wild rumpus when we celebrated Where the Wild Things Are, then we made tie dye shirts to celebrate the Hippie Dippie 1960's. Next we will dive deep into the ocean to explore what lies at the bottom.

Before we kicked off our summer themes, we had a wonderful celebration for our friends who are graduating and heading off to kindergarten. We have also been busy celebrating Juneteenth, Father's Day, and Pride Month! We are learning about important LGBTQ+ figures like Marsha P. Johnson and Harvey Milk.

Just when we thought June couldn't get any more exciting, Chef Dan (Camille's dad) appeared on Food Network's Chopped and WON! Visit him at Osteria Georgi to sample his culinary creations for yourself!

With the summer months off to such a great start, we can't wait to see what fun we will find next! Parents, remember to apply sunscreen and bug spray to your students in the mornings as we are enjoying plenty of time outside right now. Thanks so much for helping us have an awesome summer!

With love,

Ms. Jen and Mr. Sean

Good day Friends and Family!

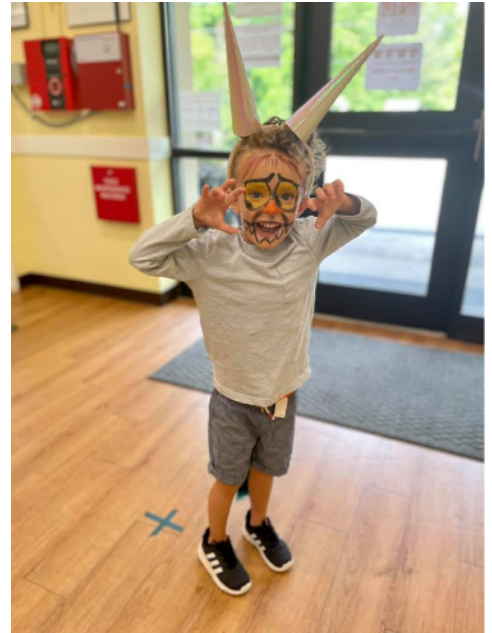

We've been having a blast this Summer with our wild and wacky themes. Last week we went wild with our theme Where the Wild Things Are. We roared and stomped and gnashed our teeth and romped through the week.

This week we went wayyyyy back to the Funky Feely 60s! We talked about civil rights and progress. We celebrate our freedom this week with Flag Day and Freedom Day (Juneteenth.)

We'll be diving deep deep DEEP below the waves next week as we discover what is at the bottom of the ocean.

We would like to congratulate Leo's dad, Dan Jackson on being a Chopped Champion! If you're listening to the radio this summer, tune into 89.3 FM from 7-9pm and listen to Ms Grace live!

With gratitude,
Mr. Will and Ms. Grace
