TODDLER ROOM

The Toddler class is having so much fun in the month of March! We started the Month off with Dr. Seuss Day! We've been reading Dr. Seuss books throughout the month. We finished the alphabet and learned about letters W, X, Y and Z. The toddlers have started learning about colors and have learned about the colors red and yellow so far. We've had fun painting with watercolors. We enjoyed celebrating St. Patrick's Day by dancing to Irish music and making Shamrock handprints. We are all looking forward to Spring!

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms. Paw Soe

CHILDREN'S HOUSE 1

Hello friends! We are so excited to say goodbye to winter and hello to spring! Please be sure to check your child's orange cubby bin for seasonally appropriate extra clothes!! March is Woman's history month so we are spending time learning about the amazing contributions women have made to our world! Of course we had a fun celebrating one of Ms. Laura's favorite holidays St. Patrick's day!!!! Our class continues working on our basics while learning to be kind little humans. We look forward to seeing what April brings!

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-2

Hello, friends!

Greetings, friends! Spring is here and our class is growing and changing with the season. We are cleaning and sprucing up our classroom with new books, toys, and artwork.

We also welcomed our new guinea pigs, Cinnamon and Marshmallow, new classmates Domingo and Greta, and a new teacher! We are so happy to have Mr. Sean with us. We look forward to growing together as a class with all of these exciting changes!

In class, we have been celebrating women's history in the month of March by learning about amazing women like Eleanor Roosevelt, Susan B. Anthony, Ruth Bader Ginsburg, and Malala Yousafzai.

Reminder: We have Show & Share day each Friday. On these days students are welcome to bring any toys or other items they would like to share, but throughout the rest of the week these items should stay at home. Thank you!

With love,

Ms. Jen and Mr. Sean

CHILDREN'S HOUSE 2-1

Good day Friends and Family!

We are finally in Spring! This month we had Erika and Elliot spring into a new year with them both turning 5 years old. We have been talking a lot about the weather and wind this month. We've made windy mixed media, little leprechaun prints, as well as swirled tornadoes and stirred up some rice.

Soon we'll have a parent come and talk about Passover. We'll be preparing for April as we finish up the water cycle. We will start to look out at where it is and where it goes. Make sure your kids are dressed well for any weather. If we all have rain boots and rain coats then we'll be outside.

Also, please try to keep toys, cosmetics, and such home until Show and Share. This is the last day of the week your child will be there.

Thank you for cooperating with us, and we always welcome visits. Next month is poetry month, if you would like to read any poetry for the kids, just let us know!

With gratitude,
Mr. Will and Ms. Kuku
