## TODDLER ROOM 2

This month we are continuing learning about shapes. We had fun celebrating May The Fourth Be With You and Cinco de Mayo. We've had fun coloring with crayons, markers and chalk. We also enjoyed making picture frames for our moms for Mother's Day. We look forward to finishing up the school year and starting our Summer Themes!

Smiles,

Ms. Lindsay and Ms. Paw Soe

## TODDLER ROOM 1

We had a fantastic month in the Toddler 1 class. We started learning about shapes and went over square, circle, triangle, and rectangle. We enjoyed reading books during Story Time and doing Montessori Work Cycle. We had fun making gifts for our mommies for Mother's Day. We also had fun making an Earth Day handprint craft, a caterpillar craft, a fish craft, and coloring robot pages. We are looking forward to a great end of the school year during the month of May.

Love,

Ms. Jewellery and Ms. Kuku

## CHILDREN'S HOUSE 1

What a busy month it has been! We have welcomed new friends and said see you around to those who have moved up to CH 2. We have enjoyed music, art and dancing. We were busy little bees crafting Mother's Day presents to show our mummies our love and appreciation for all they do. It has been so nice to play outside with the good weather- minus the pollen. Yuck! We are wrapping up the school year strong reviewing the basics and continuing to learn about interesting people throughout history.

With so much love,

Ms. Laura and Ms. Nora

## CHILDREN'S HOUSE 2-2

Hello, friends!

We are having so much fun in the month of May! We have continued our Ramadan celebration and marked the end of Ramadan with Eid al-Fitr. We also celebrated Star Wars Day on May 4th and Cinco de Mayo on May 5th!

We made special paintings to give to our mummies for Mother's Day, practiced our handwriting by tracing our names, and learned about the scientific method by doing experiments with Mr. Sean. Our favorite was finding out what happens when you mix Mentos with diet cola!

We also welcomed several new friends to our class! We are so happy to have Edward, Neko, and Chenxuan with us. As we welcome so many new friends, we are also preparing to say goodbye to old friends who will be graduating and moving on to kindergarten.

With so many changes happening and all our hard work in the classroom, we are all looking forward to some summer fun. What will our summer themes be? We can't wait to find out!

With love,

Ms. Jen and Mr. Sean

## CHILDREN'S HOUSE 2-1

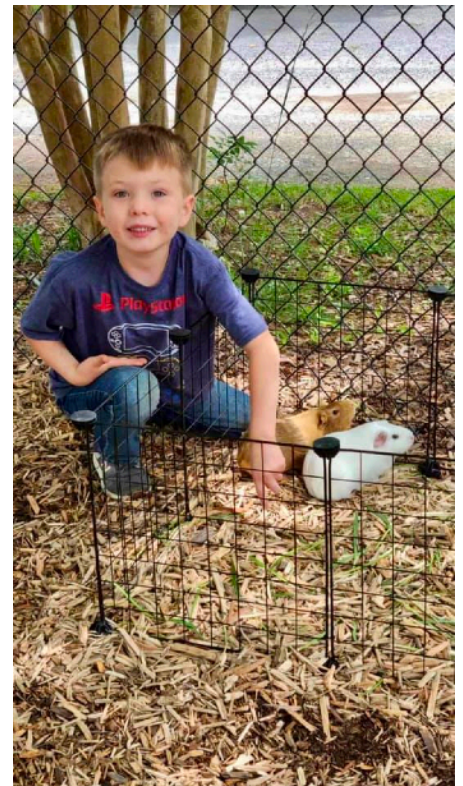

Good day Friends and Family!

This is a life changing month for many in our CH 2-1 class. Over half of our friends will be starting Kindergarten or other programs in the near future. Lawrence and Tom had two birthdays earlier this month, turning 4 and 5 respectively.

This month we talked about plants, life cycles and the changes we see. Sadly, our classroom plants died early on... likely due to too much love and attention. We are practicing listening and being more careful.

Thank you all for the wonderful time we have been able to spend with you and yours. We hope to remain in touch and continue to see you. We hope everyone has a great summer!

With gratitude,  
Mr. Will and Ms. Grace
