November 2020

TODDLER ROOM

We ended the month of October with a Halloween Parade through the school. It was so much fun seeing all of the children in their costumes! November is off to a great start in the Toddler class. We've been continuing learning our ABCs and have covered letters I, J, K and L. We've also been learning more Sign Language signs and have been practicing counting to 10 in English and in Spanish. The toddlers have also been painting using their fingers and paintbrushes. We are so happy to have Ms. Maria back teaching Yoga Class every Wednesday!

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms.
Paw Soe

CHILDREN'S HOUSE 1

What a busy, fun time we have been having! We are so happy to safely welcome back Ms. Maria to lead us in yoga on Wednesdays! We worked hard on Halloween crafts for home, and had so much fun celebrating at school! We have been learning about many different holidays we celebrate like Veterans Day, while preparing for Thanksgiving. We even held our own election and voted Mickey Mouse as president. We continue working on the basics while learning to be kind small humans. Please check cubbies for weather appropriate extra clothes and continue taking sheets home on the last day of the week for washing.

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2-2

Hi friends! We had such a fun time celebrating Halloween, and we are continuing our fun fall celebrations in November. We have learned about Dia de Muertos and Diwali, and we took time to honor our armed forces on Veterans Day. We are looking forward to Thanksgiving celebrations later in the month.

We have also been reviewing 2D and 3D shapes, rhyming words, and the days of the week. We have enjoyed having Ms. Maria back in the classroom each week to teach us about yoga.

As the weather continues to change in unpredictable ways, please make sure your students are prepared for anything with plenty of layering options, and raincoats and boots if needed. Let's continue having a safe and happy fall as we look forward to the upcoming holiday season!

With love,

Ms. Jen

CHILDREN'S HOUSE 2-1

Ch-2-1 has been having an Autumn time this month! On November 5th we talked about Guy Fawkes day in the UK which is a celebration of a failed attempt to blow up parliament. We talked about things that our friends do that make us feel bad and talked about not being like 'Somebody' who we used to describe that person anonymously. We've been working on ourselves and being better friends.

This month we have two birthdays as well, Escher and Audrey are both turning five. We wish them both well in this year and the next! We celebrated Veterans Day and Diwali this week and learned about the states/stars in the American flag. We also learned some opposites such as light/dark and knowledge/ignorance (I know, I don't know). We are striving to be responsible of ourselves and each other as well as preparing for Parent/Teacher Conferences.

Thank you all for participation with our class, and if you would like to do an activity, let us know! Don't forget to bring layered clothing for the kids as well as a hat or gloves. While some days have seemed like Summer of late, the mornings are most certainly not.

With gratitude,
Mr. Will and Ms. Kuku
