TODDLER ROOM

The Toddler class is off to a great start to the 2020-2021 School Year! So far we've learned about letters A, B, C and D. We've learned how to say "More," "All Done," and "Please" in Sign Language. We miss Ms. Danni and Ms. Maria for Music and Yoga classes, but we've been playing musical instruments and practicing our Yoga moves! We've also enjoyed fingerpainting, Do-A-Dot painting, and more crafts!

Smiles,

Ms. Lindsay, Ms. Jewellery and Ms. Paw

CHILDREN'S HOUSE 1

Welcome to a new school year! We've had such a wonderful summer with so much fun packed in! We are excited to learn our letters, numbers and colors while enjoying individual work cycle. We have been working on the basics for the past couple weeks and are going to love on to focusing on the alphabet now. We are happy to have celebrated Greta and Fern turning the big 3!! We are also so thankful for fall coming and hopefully cooler temperatures! Please check your child's cubby for weather appropriate extra clothes just in case they are needed!!

With so much love,

Ms. Laura and Ms. Julia

CHILDREN'S HOUSE 2

Greetings family and friends! Our school year is off to a great start as we are getting off the ground into the wild blue yonder. This month we are learning All about Air. We have done a few experiments and talked about the temperature and weather as well. We have also been laying the foundation for our rules and routines and would like to share a sample with all of you. When the children come to school in the morning here are some things, we want to make sure they do:

1. Try to use the bathroom if they haven't yet this morning.
2. Wash their hands for at least 20 seconds. Yes, Covid is still here, but we must all continue to prevent any spread of germs. It will be Flu season soon!
3. Place their morning snack in our snack basket on the shelves. It will be too high for our friends; you can do this part.
4. Fill up, and take their drink containers outside so our friends can stay hydrated and happy.

The weather is getting cooler, so make sure your child has an extra coat. We're still in the throes of seasons changing; but it's best to be prepared. Our children are learning how to be better members in our classroom and community by practicing kind hands and kind words. We'd like to remind them that kindness starts from within and continue being the best person possible! If you have any air ideas, please let us know!

With gratitude,
Mr. Will and Ms. Jen
