OF CARRBORO

August 2021

TODDLER ROOM 2

The new school year is just around the corner, and we are finishing up our summer themes. We had fun singing The Teddy Bears' Picnic song for Teddy Bears' Picnic week. We learned all about farm animals during Down On The Farm week. We used cars to paint on paper roads during Planes, Trains and Automobiles week. And we ended the summer learning about outer space during Fly Me To The Moon week. We had such a great summer and are really looking forward to the 2021-2022 school year.

Smiles,

Mx. Lindsay and Ms. Paw Soe

CHILDREN'S HOUSE 2-2

We are continuing to enjoy our summer themes, but we are so excited to wrap them up and look ahead to a new school year! We welcomed two new friends, James and Beau, and look forward to meeting many more new friends in our class as old friends move on to kindergarten.

We enjoyed yummy food, fun music, and exciting stories during our week of International Celebrations. We snuggled our teddies and used our imaginations to create a Teddy Bears' Picnic. We went Down on the Farm to learn where our food comes from, and learned Spanish words for different animals! We zoomed through a fun week of learning about Planes, Trains, and Automobiles. To wrap up our summer themes, we're blasting off with our Fly Me to the Moon theme.

With gratitude,

Ms. Jen and Mr. Sean

TODDLER ROOM 1

We are about to finish our summer themes and start the new school year. For "International Celebration" week, we had fun coloring Children Day coloring page. We were also visit by the Carrboro Fire Department and Carrboro Police. For "Teddy Bears' Picnic" week, we made bears out of paper plates and read The Teddy Bears' Picnic book. For "Down on the Farm" week, we did a chicken handprint craft. For "Planes, Trains & Automobiles" week, we had fun making paper plate car crafts, playing with trains, and reading the Down on the Station book. Next week will be our last week of Summer themes and we are ready to start a wonderful new school year.

With Love,

Ms. Jewellery and Ms. Kuku

CHILDREN'S HOUSE 1-2

This past month has been full of new experiences for our littles! Our class opened the second week of August. We have had the opportunity to host several new friends, and we welcome them into our class!

We enjoyed the last few weeks of our summer themes. We got the chance to learn so much about planes, trains, and automobiles while also exploring outer space! Again, I want to welcome our new friends and say I am grateful for the opportunity to get to know each of you! I am looking forward to a good school year with all of these great little ones.

Thank you for your support and encouragement,

Ms. Eden

CHILDREN'S HOUSE 1-1

Summer has just flown by! We have enjoyed our summer themes and are looking forward to starting a new school year! We had a ton of fun celebrating different holidays from around the world. Then we focused on Teddy Bears and the picnics they have. Most recently we learned about all those things that go. There's so many different modes of transportation! We finish our summer themes with a trip to the moon. We are excited for what fall will bring! (Hopefully cooler weather.)

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-1

Greetings Earthlings! Our Summer Orbit is near its end and we will be descending through the summersphere back to School. This week we've been talking all about about Space. We've stayed in our Solar System for the most part but have also talked about our Galaxy and Universe(s).

Last week we talked all about Automobiles and everything that goes. I was surprised to learn how many of our friends had been on trains before. This month we're having birthday celebrations for Judah and Amir. They're both celebrating their fourth year on Earth!

We are looking forward to the new school year and the new changes it will bring.

With gratitude,
Mr. Will and Ms. Manita
