TODDLER ROOM 2

The Toddler 2 class had such a wonderful summer! We had a great time making crafts, reading books, dancing to music and learning with all of our Summer Themes. We also enjoyed cooling off with Splash Day! We are about to finish our Summer Themes with some fun Kids Olympic Games! We plan to start out next month transitioning into the new school year.

Smiles,

Mx. Lindsay and Ms. Nimo

CHILDREN'S HOUSE 2-2

We are about to come to the end of another summer of fun and weekly themes. During our Stars and Stripes Week we made popsicle stick flags and during our Movin' & Groovin' Week we made tie dye t-shirts!

Our school's chickens are getting bigger every day and will soon be laying eggs! Miss Devyn brought them out on to the playground for us to hold, and what fun that was! We would like to remind everyone that our resident guinea pigs, Marshmallow and Cinnamon, would love to spend a weekend with a family. We provide everything you need, food, bedding and a traveling cage.

Next week will be our last week of summer themes and we are looking forward to starting a wonderful school year!

With gratitude,

Ms. Amber and Ms. Dayna

TODDLER ROOM 1

We've had a great summer in Toddler Room 1! The kids have had so much fun doing splash days and loved the themed weeks. Last week we had tie dye day and they got to show off their new shirts. Their favorite activity has been storytime and enjoyed listening to the itsy bitsy spider most. We also welcomed new student Arya and are going to say goodbye to Ryan as he graduates to the older classroom. We'll miss you, Ryan!

With Love,

Ms. Kiana and Ms. Edith

CHILDREN'S HOUSE 1-2

Awesome days! We had a busy and interesting month of adjustments. We welcomed Hakeem, who moved up from the Toddler #1 classroom. We would also like to welcome Miss Daphne into our classroom as our new assistant teacher.

Many thanks to Mrs. Edith and Ms. Devyn for helping us in our class! We have done and enjoyed a bunch of activities like dancing, singing, painting, reciting our ABCs, flower arrangement, story time, turning our room into an indoor playground, exercises, socializing and following tasks.

Kids are brilliant! They love to help and look after their friends!

It is fun to see them engage and perform housekeeping activities such as wiping tables, putting away their chairs, and watering plants. Little ones are amazing! It will melt your heart to hear them say "Can I help?"

We look forward to learning more every day!

Thank you for your support and encouragement,

Ms. Arlene and Ms. Daphne

CHILDREN'S HOUSE 1-1

This past month has been full of new experiences for our friends in Children's House 1-1. During our Community Helpers Week we were so excited to have a visit for our local Carrboro Fire Department. They brought their big red shiny fire engine and even let us sit way up high in the cab!

We worked with tie dye during our Movin' & Groovin' Week and wore our creations for Friday's Dress Up Day.

As our summer weeks wind down, we are looking forward to cooler fall weather and the start of our curriculum school year.

With so much love,
Ms. Nora and Ms. Yadi

CHILDREN'S HOUSE 2-1

This month in children's house 2 we welcomed Ms. May and Ms. Abbi to our class. Since then we have moved and grooved all through the class. We learned about firetrucks and even met some cool firefighter friends.

Ms. Abbi and her friends held a chicken for the first time. We are learning our days of the week and getting great at identifying our months and days. We are learning about dinosaurs and what they eat. We even learned the difference between herbivores and carnivores. This month has been a blast!!

With gratitude,
Ms. Abbi and Ms. May
