

December

Montessori Academy

OF CARRBORO

TODDLER ROOM 1

November has been such a fun month for everyone in Toddler Room 2! We've continued to make our way through the alphabet learning the letters i, j, and k. The class has also been exploring different art mediums; one week we colored with crayons, another with markers, and the next with paint.

We're so proud of Amelia and Frankie for graduating to Transition Room 2 and we're very excited to be welcoming new students Sunny, Blakely, and Halle to the class next month!

TODDLER ROOM 2

November was a fantastic month in the Toddler 2 class! We are still going through our alphabet and learned about letters H,I,J and K. The toddlers have been doing fun art projects like coffee filter tie-dye, Do-A-Dot painting, and fingerpainting. For Thanksgiving, we made handprint turkeys! It's hard to believe the year is almost over! Next month we look forward to starting the holiday season.

Smiles, Mx. Lindsay and Ms. Paw Soe

WE ARE LOCATED AT: 103 LAUREL AVE, CARRBORO, NC 27510

CHILDREN'S HOUSE 1-1

November always seem fly by! CH:1-1 continued to work on mastering the alphabet. Singing the ABC's is the best way to practice at this age.

We worked really hard on learning the letter "c" and what words start with "c".

We sadly lost some friends this month. Go luck in CH:1-1 and CH:2-2. We celebrated what we were thankful for! We plan to continue working on our letters and the upcoming holiday!

Many Hugs, Ms.Yadi & Ms. Edith

CHILDREN'S HOUSE 1-2

Hi Friends! It was a busy and quick month for us! We focused on kinesthetic - hand and eye coordination. This is a very important skill at this age. Letters E & G were a major focus. We even brought the outside in to do an activity with leaves! Fun was had by all!

We tried to connect our artworks and activities while learning numbers and letters. We are delighted to welcome two amazing girls to our class! Welcome, Amelia and Frankie!!

Best, Ms. Arlene & Ms. Daphne

CHILDREN'S HOUSE 2-1

This month CH:2-1 our class continued to explore the world by doing a giant puzzle of the 7 continents. As we learned about the letter "J", we enjoyed some jazz and did messy jell-o art. We learned about kangaroos then played with kazoos while learning about the letter "K". Cute little turkeys were made. We shared what we are thankful for. Ms. Abbi even read a story about the first thanksgiving. Also, we welcomed two new friends into CH2-1 Jack and Eddie.

Smiles, Ms. Abbi & Ms. May

CHILDREN'S HOUSE 2-1

November was an exciting month in CH:2-2. James, Rozlien, and Walter joined our class. They have adapted to their new environment. We worked hard to review materials for our fall assessments. We were shocked on how much we've retained this year!

Watercolor and coloring have become staples in our daily life. We are modern day Van Gogh's. Our focus was how thankful we are. We celebrated Thanksgiving by reading tales of the past and present. We even learned several holiday inspired dances. We cannot wait to see what December holds!
