January 2022

TODDLER ROOM 2

We had a fantastic January in the Toddler 2 class! We welcomed new friends and have been having lots of fun learning and growing! We have started learning some basic Sign Language and have learned the signs “More,” “All Done,” “Please,” and “Thank You.” We have been continuing with our ABCs and are all the way through the letter T. We are all getting so good at Yoga! The toddlers love expressing themselves artistically with weekly arts and crafts projects.

Smiles,
Mx. Lindsay and Ms. Kim

CHILDREN’S HOUSE 2-2

We ended 2021 with loads of fun, excitement, and celebration. Now, to begin with New Year 2022. We introduced our new friend Rhydian, welcoming him in our CH-2-2 class.

We enjoyed our first chilly month of the year playing with lots of snow and smiles. We had a restful holiday and now are energized for rest of the school year.

We are steadily going through the alphabet. We are exploring activities, songs and objects that go along with each letter. For the letters M, N, O and P, we crafted cardboard hands decorate with nail paint. We worked on our fine motor skills to cut and design our very own personal Mitten, Name tag, Octopus and created bags of artificial movie popcorn.

We are so excited for the month of love-February! We are happy to share love with our colleagues, teachers, and family all the while learning and growing.

With gratitude,
Ms. Manita and Mr. Sean

TODDLER ROOM 1

During the month of December in our toddler 1 classroom, we enjoyed learning our alphabet and covered letters M, N, O, P and Q. We had been making several arts such as paper mitten coloring, candy cane painting, ornament handprint and Christmas tree sponge painting!

We also learned how to say water, share, all done and milk in sign language. We enjoyed our music, yoga and story time so much. The beginning of the month of January 2022 our toddler 1 class has been continuing with the alphabet, sign language and more fun art activities.

We hope everyone had a happy new year!

With Love,

Ms. Paw Soe and Ms. Cherie

CHILDREN'S HOUSE 1-2

This past month we welcomed Ms Yesenia into our classroom! We have been focusing on learning a letter, an animal (or group of animals) and a number while practicing our drawing and painting along with some yoga. Potty training has been a huge focus for a bunch of our littles. They're all doing so great!

Thank you for your support and encouragement,

Ms. Eden and Ms. Yesenia

CHILDREN'S HOUSE 1-1

Hello friends! It's hard to believe that it is already January 2022! We have had a very busy month in CH 1-1! Our friends have been spending time working on manners. Saying "please" and "thank you" as well as "How are you?" "Very well, thank you". Our adventures in math include writing the numbers 1 to 10 and counting everyday up to 20. We have been also working on the letters "D", "E" and "F". Every Monday is music day where we spend time listening to music and playing instruments. Wednesdays are always Yoga days where we stretch our bodies and work on balance. We are also working on recognizing circles, ovals, triangles, squares and rectangles. MLK Day was celebrated with the making of a large mural with all of our handprints and all of our "dreams". What adventures will February bring?

With so much love,

Ms. Nora

CHILDREN'S HOUSE 2-1

WOW! What a wild start back to school after Winter Break. A crazy storm. A two hour delay. We've persevered through all this crazy weather.

So much learning: Letters, numbers, shapes and beginning sounds. We have been using some new materials in our classroom such as snow, sand, slime, shaving cream and even spaghetti. We practiced writing our names in the shaving foam. It was messy and a lot of fun!!

Our friend Oliver had a great idea to build a bird house and feeder for our playground. Which we think turned out great!!!

Parents, please check your child's cubby to make sure they have appropriate cool weather clothing. Mornings are chilly with afternoons becoming warmer, so layering sweaters and jackets are a good idea.

Happy January and Happy 2022!

With gratitude,
Ms. Sarah and Ms. Dayna
