TODDLER ROOM 2

We had so much fun ending the month of October with our Halloween Parade! The toddlers all looked so cute in their costumes! The Toddler 2 class has been continuing with the alphabet and covered letters G, H, I, J, and K. We've been enjoying Story Time, Montessori Work Cycle, Music and Yoga. We've been busy making several arts and crafts such as painting with watercolors and Do-A-Dot paints! We hope everyone has a safe and wonderful Thanksgiving holiday weekend!

Smiles,

Mx. Lindsay and Ms. Paw Soe

CHILDREN'S HOUSE 2-2

We celebrated month of October with Halloween. We had fun playing spooky games and collected candies in a Trick-or-treat parade at school. We worked on our art and fine motor skills to create beautiful Halloween cards for our families. We would like to thank Ms. Jacquelyn and Ms. Tina for sharing with us delicious cookies and pumpkin pie. We had Ms. Ronnie take time out of her day to read to the children a story about a "Little Old Lady Who Wasn't Afraid of Anything". We learned about letters A to F and also practiced writing them. Along with that, we talked about "E" emotions and "F" feeling to understand our emotional status in order to better develop our social and interaction skills. With letter F, we learned about the life cycle of the frog and how they change their forms using model figurines. We viewed a science experiment to create volcano by mixing baking soda and vinegar, which was super fun and exciting.

We are so looking forward to our Thanksgiving holiday and are happy we get to spend time with our families and eat lots of turkey with gravy! Yummy!!!

With gratitude,

Ms. Manita and Mr. Sean

Our friends have been busy this month learning about the season of Autumn. We have been spending our time working on art projects, like our paper plate lion face and our pompom letter "K".

Our Halloween celebration and parade was the highlight of the month! Our friends were so creative in their costumes, which included princesses, superheroes, and scary skeletons. We paraded around the school, trick-or-treating at each classroom.

Parents, please check your child's cubby to make sure they have appropriate cool weather clothing. Mornings are chilly with afternoons becoming warmer, so layering sweaters and jackets are a good idea.

With gratitude,
Ms. Dayna
