

Toddler Room 1

We've made so many great memories in Toddler Room 1 this October! We got into the Halloween spirit all month with art projects where the kids drew monsters, made ghosts, and painted bats. Our music days have been extra fun this month. With the incorporation of some time, everyone can explore playing different types of instruments like drums and tambourines. We're excited to continue the fun and learning in November!

Hugs,
Ms.Kiana and Ms.Edith

Toddler Room 2

The Toddler 2 Class had an excellent October! We've continued with our alphabet and covered letters D, E, F, and G. We've celebrated Halloween all month long by reading Halloween books and making fun Halloween crafts like candy corn, ghosts, and mummies. We even painted pumpkins! We ended the month with a Halloween Costume Parade around the school. We can't wait to see what fun November has in store for us!

Smiles,
Mx. Lindsay

Children's House 1-1

Students from CH 1-1 have been exploring the English alphabet. Every week we try to master a new letter. Our goal is to recognize the letter and recognize the sound each letter makes. We even discover words that start with each letter. C, D, and E were so much fun to learn. We plan to continue focusing on letters in the coming months. Colors, shapes, and numbers are also on our to-do list! We appreciate you sharing your little one with us!

Children's House 1-2

Hello Friends! What a busy and giggly month for us!! October was fun and full of excitement! We welcomed Alyssa into our class and had the chance to get to know her!

The kids maximized indoor and outdoor activities. The monkey bars caught their interest! Some of them discovered how flexible they are. We also studied the letters D, E and F! Trying our best to write and identify objects with them. We have been doing fun arts and crafts like hats, Halloween masks, decorations, brain games, learning the importance of teamwork, handling our emotions, focusing and paying attention, building blocks, and solving puzzles! We can't wait for what comes next! Thank you so much for your trust and support!

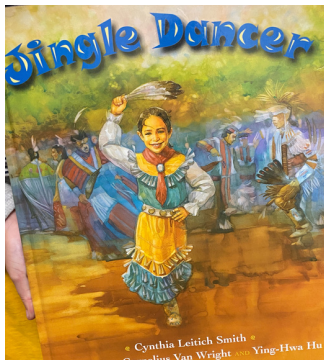

Hugs,
Ms. Arlene and Ms. Daphne

"Such A Good Book"

This month in CH 2-1, we gained two new friends, Ida and Noah. Our friends Ezra and Eleonore both had birthdays this month, and we had a blast celebrating them. We painted pumpkins and crafted some ghosts with leaves. For Indigenous Day, we read a book about Jingle dresses (Native American regalia) and Pow wows. Ms. Abbi even showed her friends a picture of her family at a recent pow-wow. We explored the world, learned about the seven continents, and even learned an excellent song to help us remember. To end the month, our class made ice cream in a bag, which was yummy!!

Children's House 2-2

This month in CH 2-2, we explored everything "spooky." We dove into the world of Halloween books, stories, and art projects. We had daily dance parties and enjoyed as much outside time as we could. To us, fall weather is the best! We welcomed Fiona, George, and Rowynn to the mix. They all have settled in nicely. Sadly, we said goodbye to Evan. We will miss you!

"Working Hard"

Our focus moving forward will be our weekly letters, the month of November, and the seven continents. Our class is growing socially and emotionally daily. We are forming forever-lasting bonds with each other. We are looking forward to our bright futures in CH-2!
