OF CARRBORO

October 2021

TODDLER ROOM 2

The Toddler 2 class has been continuing with the alphabet and have learned about letters C, D, E and F. We've been enjoying Story Time and Montessori Work Cycle. We also enjoy Yoga and Music. During the month of October, we have been having lots of fun making Halloween crafts! We made handprint candy corn, spooky mummies and are looking forward to painting pumpkins. We are very excited to wear our Halloween Costumes to school on the Friday before Halloween for our Halloween Parade!

Smiles,
Mx. Lindsay and Ms. Cherie

CHILDREN'S HOUSE 2-2

With the starting of a new school year, we celebrated Amira's 4th year on Earth. As we move into fall season, it is getting cooler and colorful. We read all about the different seasons with changing color of the leaves. We have been writing, recognizing, and remembering letters and numbers, along with our names. We nurtured our creative side by learning how to make a caterpillar with colorful hand paintings. We are super excited to celebrate the cold Halloween month with spooklicious candies. Please do not forget to bring warm jackets to avoid cold monster.

With gratitude,

Ms. Manita and Mr. Sean

TODDLER ROOM 1

The toddlers have been having a great time learning their ABCs. We've been making several art crafts including fall leaf crafts. We've been having lots of fun doing Yoga and Music. We've also been reading stories and doing Montessori Work Cycle. We've also been working on learning some basic sign language. Please make sure you have warmer changes of clothes in your child's cubby since the weather is starting to get chilly.

With Love,

Ms. Paw Soe and Ms. Kuku

CHILDREN'S HOUSE 1-2

October has been a super fun month! We have really gotten into a rhythm of learning our ABCs and colors. We've welcomed a few more friends into our group, and it has been so exciting getting to know new people! We have been talking a lot about the seasons, days of the week and months of the year, as well as working on taking turns and saying thank you, please and sorry. Parents make sure to check your child's cubby for weather appropriate extra clothing!

Thank you for your support and encouragement,

Ms. Eden

CHILDREN'S HOUSE 1-1

We have been enjoying the changing season and weather, even though it heated up a little lately! As we entered October, we have focused on the concepts of the changing seasons and weather. We painted pumpkins while also learning how we would make the typical pumpkin color of orange by mixing red and yellow. We read and learned about all things fall and have moved into a bit of Halloween fun! Our alphabet focus is on the letters our names' start with, so name recognition becomes easier. Shapes and numbers are also discussed as we explore these ideas! Please check cubbies for seasonally appropriate changes of clothing and layers for this sometimes crazy weather!!

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-1

We've had lovely weather of late and would like to ask if all of the children can bring a rain resistant jacket and boots for less lovely weather. One of our goals in CH 2-1 this year is to be outside in all sorts of weather.

What we've lacked in birthdays this month, we've more than made up with guest readers. Ms Rachel and Ms Ronnie have both taken time out of their day to read to the children about the ABCs in English and Spanish, as well as a story about a Little Old Lady who wasn't afraid of Anything.

We've also been reading traditional stories involving Autumn such as Kiwali and the Giant Pumpkin, Jack the Trickster, and talking about witches and 'cooking.' If you like to contribute in any way to the class just let us know!

With gratitude,
Mr. Will
