September 2021

TODDLER ROOM 2

The 2021-2022 School Year is off to a great start! We started with our alphabet and learned about words that start with the letters A and B. We love singing about the days of the week and the months of the year during circle time, as well as counting to 10 in English and in Spanish. We've had fun doing Yoga and playing musical instruments. And we've had fun painting- both with brushes and with our fingers!

Smiles,

Mx. Lindsay and Ms. Cherie

CHILDREN'S HOUSE 2-2

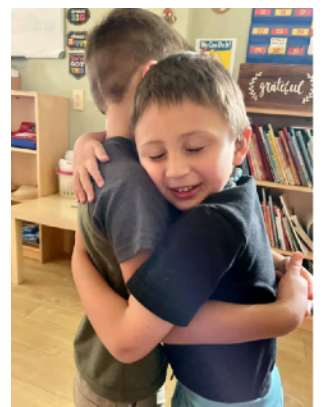

As the school year ended, we said goodbye to our good friend Teles who is starting his journey of kindergarten. Along with that we said goodbye to Ms. Jen and wished her best of luck for new life adventure. We ended the school year with goodbyes, but we started the New School year by welcoming Layla, James, Ethan, and Iris to the CH 2-2 Class.

We started with Musical Monday with Rhyming, tracing the numbers and Yoga poses to refresh our body and mind. We nurtured our creative side by making paper rockets and flying them with our friends.

We are looking forward to our new school year and all the fun coming our way.

With gratitude,

Ms. Manita and Mr. Sean

TODDLER ROOM 1

The toddlers have enjoyed finishing our Summer Themes and starting a brand new school year. We have welcomed many new friends into our class. We have started learning about letters of the alphabet. So far we have covered A and B. We've been enjoying having music class, and doing arts and crafts. The toddlers have been learning to do things independently, and they have also been learning to be a good friend. We are looking forward to a wonderful school year.

With Love,

Ms. Paw Soe and Ms. Kuku

CHILDREN'S HOUSE 1-2

This past month we have transitioned from our fun summer themes into the school year! Our class has gotten to learn about the first few letters of the alphabet, as well as several colors and numbers too. Beginning work cycles has been a blast! We have been able to do several fun learning activities like working with puzzles, playing with blocks and doing coloring pages. We are looking forward to learning more and more throughout this next month!

Thank you for your support and encouragement,

Ms. Eden

CHILDREN'S HOUSE 1-1

September is here!!!! What a great beginning of the school year we are having!! While we wait for some friends to transition into our class, we have been reviewing a lot of things. We have been reviewing colors, shapes, numbers, feelings, seasons and our senses. We have been enjoying group play where we learn how to have nice interactions and be good friends. We celebrated Willa and Georgia joining the 3 year old club!

Soon we will begin focusing on reviewing/learning the letters of the alphabet! We can't wait for the Fall season and cooler climates to be here. As always, parents please take time to look in your child's orange cubby for extra clothes that fit and layers for just in case!

With so much love,

Ms. Laura and Ms. Nora

CHILDREN'S HOUSE 2-1

We've had a great start for the new school year! We have a new classmate in CH2-1 and would like for everyone to give a hearty welcome to Lucy. That makes our class for the time being.

We are steadily going through the alphabet as we focus on a letter each week. We will delve into activities, songs, and objects that go along with each letter. We are currently discussing "Everything about E" and have reviewed our letter D last week by talking about how the dinosaurs became extinct.

We look forward to having a great year with all of you!

With gratitude,
Mr. Will
