

### Children's House 1-1

The curriculum school year is in full swing in Children's House 1-1. We have covered the letters A, B, and C as well as numbers 1, 2 and 3. We are learning our primary colors as well. Next week we will be covering basic shapes.

On the playground we are exploring our outside environment for signs of fall, collecting leaves and acorns that have fallen from the trees which shade our play area. Perhaps we will collect enough for a fall project!

We celebrated our friend Claire turning three with Montessori's "Walk Around the Sun" celebration. Claire's parents brought everyone cupcakes to mark the occasion.

With cooler weather on the horizon we would like to ask parents to check their child's cubby for warmer clothes. Mornings can be quite cool so light jackets and sweaters are a good idea.

With Love and Appreciation,  
Miss.Yadi and Mrs.Edith

### Children's House 1-2

Hello All! August and September were loaded with so much fun! we enjoyed activities such as identifying numbers, colors, fruits, and vegetables. We worked hard on using good manners, singing, dancing, and exploring yoga.

We welcomed Eddie, Ryan and Lael to our class! Also, we discovered that Hakeem is into singing! He in fact started to speak! Thanks to Hazel, who is a great help and influence to him.

Thank you so much for your support! We are looking forward to exploring so much more! i

With Love,

Ms. Arlene and Ms. Daphne

## Toddler 2 Room

September has been a fantastic month for the Toddler 2 class! We have started on our alphabet and have learned about words that start with the letters A, B, and C. Every week we alternate between Music & Movement and Yoga. We have been doing fun craft projects like painting corn with bubble wrap and using plastic bottles to paint fall leaves on trees. We look forward to having even more fun in October!

Smiles,  
Mx. Lindsay and Ms. Nimo

## Toddler 1 Room

This month we officially started the new school year! The kids have been practicing singing the ABCs as well as doing art projects revolving around the letter of the week. So far, we have done finger painting of ants for A, butterfly collages for B, and for C we made little Cookie Monsters!

Hugs,  
Ms.Kiana and Ms.Edith

## Children's House 2-1

This month in CH 2-1 has been filled with so many fun things. We had a fun dance party. Ms. Abbi and Ms. May learned so many cool moves from our friends. We are learning new words and learning the sounds of the alphabet through song. Our friends have been doing a beautiful job remembering the days of the week and months of the year. We even counted past 25! Our friends really enjoy doing circle time outside in nature.

As cooler weather is approaching, parents, please be sure to swap out extra clothing in cubbies for fall weather attire. Thanks.

Ms. Abbi & Ms. May

## Children's House 2-2

The 2-2 class has been steadily learning this past month. Our focus has been on the beginning of the alphabet. You should see us write the letters A-E. Such a powerful moment! We will continue a weekly letter throughout the year. We cannot wait to start our fall/Halloween unit in October.

We are so excited to announce that Ms.Amber had join our room as the lead. She brings 18 years of experience in early childhood. Please never hesitate to bring any questions or concerns to the table.

We even had a couple of new friends join our room. Joey moved from the younger room. Ansel started this past week. Welcome to our class community!

Remember Show & Share is each Friday. Don't forget to bring a water bottle daily. With these chilly mornings, It's a great idea to bring a jacket.

With Gratitude,  
Ms.Amber and Ms.Dana
