

Toddler #2

We had a wonderful start to the new year in the Toddler 2 class! We have started learning Sign Language and have learned the signs for more, all done, please, thank you and help. We've been continuing with our alphabet and have learned about letters O, P, Q, R and S. We celebrated the life and legacy of Martin Luther King Jr and read all about him. We've been having lots of fun doing art and painting with Do-A-Dot marker paints and even bubble wrap! We look forward to a fantastic February!

Smiles, Mx Lindsay and Miss Paw

Children's House 1-2

Hello Friends! Winter is almost over! But we wanna share how fun it was for us! We have had plenty of milestones! Vyom, Zoe, Amin and Maeve joined our class!! We made scented candles, jelly fish and lanterns for our art projects.

During our science class we learned all about volcanoes. We even replicated a volcanic eruption using baking soda and vinegar.

Love and light

Miss Arlene and Miss Wanda

Toddler #1

There have been a lot of changes here in Toddler Room 1! Our friends Aiden and Luke have graduated to Ms. Yadi's class where they're having so much fun and learning all kinds of new things. The class is thrilled to welcome June, Lucas, August and Eleanor as they start their Montessori experience. In January, we practiced our ABCs and continued our way through the alphabet focusing on one letter a week. We've also used every opportunity we can to practice counting, from counting the cars we see outside to the building blocks out in the classroom. The kids love their story time and Thomas the Train has been a favorite! We've also enjoyed having dance parties and singing along to songs like The Wheels on the Bus, Old Macdonald, and This Old Man.

Looking forward to a new month, Ms. Kiana & Miss Edith

Children's House 1-1

Our friends in Children's House 1-1 have started the new year with great joy and an eagerness to learn new things! We are practicing straight lines, diagonals and working on dot to dot connection. We will continue this entire month of February practicing and adding a little more everyday to our expanding knowledge.

Ms. Yadi and Ms. Edith wish you a Happy Valentine's Day

Children's House 2-2

January was a busy month! We learned all about the letters Q, R, S, and T in our preschool class. We will be focusing on the sounds they make and finding objects that start with each letter. We will also be working on writing these letters and using them in simple words. We encourage you to continue practicing these letters at home as well. We have added yoga classes on Wednesday with the help of Eliza H. Yoga is a great way for children to learn about their bodies and practice mindfulness.

As the weather keeps getting colder, please make sure your child is dressed warmly for outside play. We will be going out often, so please make sure your child is wearing a warm coat, hat, and gloves.

Finally, we would like to welcome our new friend Ana to our classroom. We are excited to have her join our class and can't wait to get to know her better.

Thank you for your continued support! Best Regards, Ms. Dayna and Ms. Maria

Children's House 2-1

This month in Ms. Abbi and Ms. May's class we will be wrapping up the last four letters of the alphabet, W, X, Y and Z. We are continuing learning and recognizing words and sounds that begin with each letter. We have mastered counting past 30 and have a goal to count past 40 this month. Since February is the month of sweetness, we are discussing dental health and friendships for the next couple of weeks.

With Love, Miss Abbi and Miss May
