

Toddler #1

This month we've focused on keeping the kids active! We've had so many dance parties and have had a great time learning different yoga poses. We're all done with the alphabet but we'll continue to practice singing our ABCs. Now we're moving on to shapes and colors.

With Love and Gratitude, Miss Kiana & Miss Karla

Children's House 1-2

Spring has sprung in Children's House 1-2! All of our friends have been enjoying the lovely spring weather with plenty of outdoor playtime. We are continuing working through the alphabet, finishing up with the letter "Z". During the Montessori Work Cycle we are working with manipulatives and number works.

With Much Appreciation, Miss Arlene and Miss Nicole

Toddler #2

The Toddler 2 class had a wonderful March! This time of year the weather can change quickly from cold to hot, so now would be a good time to make sure your child has a change of both warm weather and cold weather clothes in their cubbies. We finished up the alphabet in the month of March and learned about letters X, Y and Z. We started learning about colors and have learned about Red, Yellow and Blue! We have also been continuing with our Sign Language and have learned the signs for Daddy, Grandma, Grandpa, and Teacher. We had so much fun celebrating Dr. Seuss Day, Pi Day and St. Patrick's Day! We are looking forward to learning and growing more in the month of April! With Gratitude, Mx Lindsay & Miss Paw

Children's House 1-1

Our friends in Children's House 1-1 have had a busy month! Oliver turned 3 years old at the end of March and Lilia will be celebrating her 3rd birthday on the 20th of April.

We have been learning all about the Spring season, how the trees and flowers start blooming. We are continuing our ABC's this month, concentrating on the letters "P", "Q" and "R".

We are so excited to see the adventures that next month will bring!

Much Love, Miss Yadi & Mrs. Edith

Children's House 2-2

Spring is in full swing in Children's House 2-2. We have been watching seeds sprout and grown in our little grow light garden. We have some very nice basil plants that we will transfer into pots when they get bigger.

Our friends have been working on good manners, reinforcing taking turns, saying "please" and "thank you" along with helping out in our classroom.

With the warmer weather we are spending more outdoor time and we want to remind our parents to supply plenty of sunscreen.

With Gratitude, Miss Maria & Miss Wanda

Children's House 2-1

Hello Parents! We have been enjoying our Spring weather and the lovely fresh air. Our class have been studying our maps and homes along with diving into an art study of Vincent Van Gogh followed by Pablo Picasso!

Our class is excited for our growth in both the earth and each other! We are growing vegetable seeds under a grow light and can't wait to see them sprout. We welcomed the school guinea pigs, into our classroom this month. Remember that we have a sign up sheet in the front lobby for a "Weekend with the Guinea Pigs"! With Love and Gratitude, Miss Ella & Miss May
