

Toddler #1

What a wonderful month we have had in Toddler #1. We welcomed our new friend, Watts, into our classroom this month. We have been enjoying many warm and sunny days on the playground, exploring and playing. We are all working on a special Mother's Day gift for mom (shh, its a secrete!)
With love and affection, Miss Kiana and Miss Karla

Children's House 1-2

CH 1-2 had a fantastic April! We had so much fun looking for eggs on the playground during the egg hunt. Our friend Hakeem's mom came to our class to read us a book about Ramadan and do a Crescent Moon craft with us. For Earth Day, we used sponges to paint pictures of the planet Earth. We have also been enjoying Sensory Play, counting, doing puzzles, reading books and doing Montessori Work Cycle. We look forward to having even more fun in the month of May!

With Love, Mx. Lindsay and Ms. Nicole

Toddler #2

Our friends in Toddler Room #2 have been busy spending the month doing arts and crafts. We have had a lot of fun making our Mother's Day gifts and celebrating the day with our families.

Sharing and caring have been the buzz words for the month of May, as we learn to share with all of our friends.

Summer is just around the corner, with all of the fun in the sun that the season brings. We can't wait!! With Appreciation, Miss Paw and Miss Dominique

Children's House 1-1

Children's House 1-1 has been working all month on finishing up our alphabet and number studies.

All of our friends are gearing up for lots of summer fun! We are looking forward to our weekly themes starting in the first week of August.

We would like to remind all of our parents to make sure that we have enough sunscreen for the upcoming summer months!

With Love and Affection, Miss Yadi and Miss Edith

Children's House 2-2

Children's House 2-2 has also been learning all about the life cycle of the butterfly, from egg to caterpillar to chrysalis to butterfly. We especially enjoyed the caterpillar hats we made during craft time.

Parents of rising kindergarteners remember that Graduation Ceremony will be on Tuesday, May 30th, at 10:30 am. How quickly this academic year has passed!

Children's House 2-1

We have had a very busy month in Children's House 2-1! Sofia's mom came in to tell us all about the month of Ramadan in the Islamic calendar. We all got special Eid Holiday treats as well!

The weather has been so beautiful, warm and sunny, so we are spending extra time out on the playground. Along with our alphabet and number studies, we have been learning about the life cycle of a butterfly.

Our rising kindergarteners are all excited about graduation day, Tuesday, May 30th, at 10:30 am! Smiles, Miss Ella and Miss May
