June 2023

Toddler #1

Our friends in Toddler Room #1 are enjoying the beginning of summer and our summer themes! We welcomed our new friend Finnley to our room! We are so excited for this month and all the fun activities we plan on doing. Feel free to contact me or write me a little note with any questions or concerns you may have!

With Love, Miss Karla & Miss Madison

Children's House 1-2

The month of May brought the end of our 2022-2023 school year! The CH 1-2 class had a great ending to the school year! We started the month off by celebrating Star Wars Day (May the Fourth Be With You) and Cinco de Mayo. For Mother's Day we made picture frames for our mommies! In May, we started working hard at recognizing our names. We also enjoyed Work Cycle, Story Time and Sensory Play. We look forward to starting our Summer Themes in June!

With Love, Mx. Lindsay and Ms. Verenisse

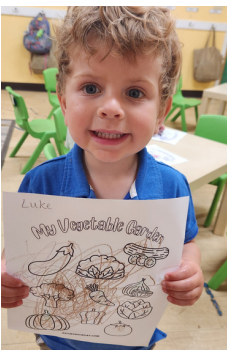

Toddler #2

We started off June by welcoming our new friends Nathan , Olive and Mia ! We also welcomed our new teacher Miss Breanna to join our Toddler #2 classroom. During circle time we practiced singing our alphabet, days of the week and months of the year songs. We also have been practicing counting our numbers 1 to 5. We continue doing our yoga poses and we love playing with musical instruments. During outdoor time we love watching fire truck and garbage trucks passing by in the morning . Our summer themes have started and our first theme was " How Does Your Garden Grow". We talked about our favorite fruits and vegetables while having lunch!

For our one of our art projects we made a paper plate garden craft while we practiced using a paint brush to paint. We are looking forward to more fun art activities coming up in the next few weeks!

With much appreciation, Miss Paw and Miss Breanna.

Children's House 1-1

June is here! And we will be saying goodbye to some of our friends who will be moving up to the Children's House 2 classrooms and welcoming some of our Toddler students who will be joining us through the summer.

Our friends are excitedly looking forward to our summer themes this summer. We started out learning all about planting and gardening. Our class choose to plant sunflowers and we are so anxious to see them blooming soon.

Wishing you all a great month and a very Happy Father's Day!

Miss Yadi and Ms. Edith

Children's House 2-2

In class CH 2-2, we're learning about the parts of a plant and its life cycle. A few weeks ago we decided to start growing flowers in our classroom so we chose to plant sunflower seeds. We're making sure our garden is growing big and strong by tending to it daily with lots of love. Later on, we'll be learning about farm animals, dinosaurs and outer space.

Love, Ms. Maria & Miss. Wanda

Children's House 2-1

Hello parents and friends. Our friends in Children's House 2-1 are excited about our plans for the month of June. We will be growing tomato plants and fun crafts in "How Does Your Garden Grow", exploring the different types of farm animals in "Barnyard Palooza", exploring our solar system in "Lost in Space" and traveling back in time with "We Dig Dinos". We are also working on a special Fathers Day surprise. With Gratitude, Miss Johnnie and Miss May
