

## Toddler #1

Our friends in Toddler Room #1 are enjoying July and continuing our summer themes! We welcomed our new friend Emery to our room! Our friends enjoyed painting this month! We are so excited for this month and all the fun activities we plan on doing. We hope everyone has a fantastic July!

With Love, Miss Karla & Miss Madison

## Toddler #2

Happy new month and happy Fourth of July! We celebrated our friend Evelyn second birthday this month. One of our weekly themes this month was "Stars and Stripes " For our art project we used paint, construction paper and fuzzy sticks to make 4th of July hats. During outdoor time we enjoyed playing with bubbles, listening to birds sound and watching the birds eating the bird seeds by Mx. Lindsay window. Since the weather's getting hot we offer our toddler friends to drink a lot of water to stayed hydrated. We continued doing yoga pose, dance party, circle time and we have loved playing with musical instruments. We're so excited for summer themes and more art work activities.

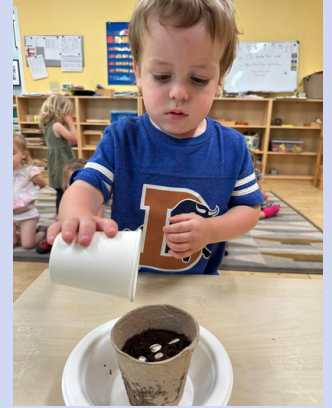

With love, Miss Paw and Miss Breanna.

## Children's House 1-2

We had a wonderful June in the CH 1-2 class! June was the start of our Summer Themes! For "How Does Your Garden Grow" week, we planted sunflower seeds, had a garden themed dance party and painted flowers with sponges. For "Barnyard Palooza" week, we listened to farm animal sounds, read a book about farm animals, and had a farm animal themed dance party. For "Lost In Space" week, we did a planet coloring page and read a book about stars. And for "We Dig Dinos" week, we learned about fossils, carnivores, and herbivores. We also read a book about dinosaurs and had a dinosaur themed dance party. Also in the month of June we learned all about Juneteenth. We look forward to continuing our Summer Themes in July!

Smiles, Mx. Lindsay and Ms. Verenisse

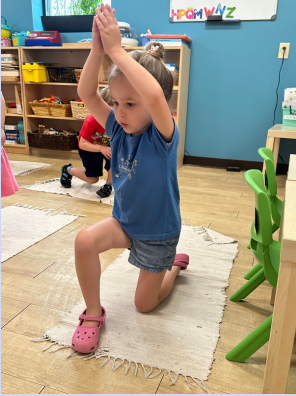

## Children's House 1-1

In our class, we continue to have a fun summer! We said goodbye to some friends and welcomed others with great joy. We learned a little more about the Dinosaurs, we love Dinosaurs. We celebrated the 4th of July with star crowns and colored our flag. We are learning so much and enjoying our summer to the fullest. We still have a lot to do and learn this month and we are very excited about the new things that it will bring us. We hope your summer is as fun as ours!

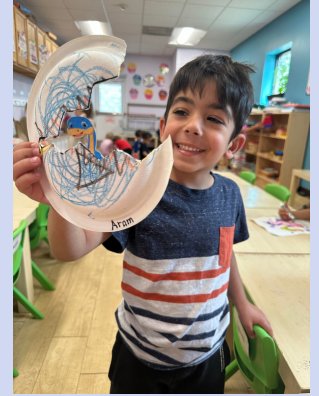

With love, Ms. Yadi and Ms. Edith

## Children's House 2-2

Our friends in CH 2-2 are enjoying our summer themes so far. We were very happy to welcome Harper into our classroom. This month we're learning about the American flag and what its colors, Stars, and Stripes represent. We're really looking forward to being chefs, traveling in time, and being extra crafty later this month as well!

With love, Ms. Maria & Miss. Wanda

## Children's House 2-1

Hello family and friends! We are excited to announce our plans for the children during the month of July. We will start off the month with a celebration of our independence where the students will create a very special American flag in "Stars and Stripes". Then the children will practice their culinary skills in "Montessori Top Chef", have fun coloring a space rocket and designing a Time Machine in "Time Machine Travelers", and create tie dye t-shirts. Finally, Ms. Johnnie and Ms. Amanda will announce a special craft which the children will decorate, paint and assemble in what we call "Craft and Create".

Ms. Johnnie and Ms. Amanda
